-VENUE @ BERLIN, GERMANY-

Berlin is the largest city in Germany. It is a city of Freedom, and It is a place where something interesting is always going on. It is a city of science, culture, politics, and media. People going for a long weekend, a week or even months are scrambling for time to visit all the places in this vibrant city. This city is a combo of grit and glamour is bound to mesmerize all those who want to explore its fantastic food, parties, vibrant culture, cutting-edge architecture, and history.

Berlin has historical monuments like **The Brandenburg Gate, Rebuilt Reichstag, Museum Island, Berlin Wall Memorial and Checkpoint Charlie, Charlottenburg Palace and Park, Gendarmenmarkt, Jewish Museum Berlin, Grosser Tiergarten, and the Victory Column, Berlin Cathedral Church, Zoological Gardens** which are vibrant and adds glory of the most magnificent spectacular culture.

Berlin, the German capital, is famous for its remarkable assortment of attractions, it's thriving cultural scene and a lifestyle that is both quick-paced and relaxed. The sights of Berlin – from the Brandenburg Gate to the Federal Chancellery – recount to the account of the entire nation.

These days, individuals seek Berlin for the latest trends in lifestyle, art, and music. Inspired by this overflowing creativity, artists are arriving in this city from around the globe, making it one of the most exciting destinations of Europe. Berlin likewise has a casual vibe and lots of open spaces for a much-needed breath of fresh air. No city in Germany is greener than Berlin with its lakes, forests and woods, lakes sprawling parks. Berlin has become the most popular location of International film productions. The city is outstanding for its celebrations, nightlife, diverse architecture, a better quality of living.

“To see the past, visit Rome. To see the future, travel to Berlin.”
