# WELCOME ADDRESS

Gynecology 2023

Dear Attendees,

The Gynecology 2023 Organizing Committee is absolutely delighted to welcome you to the **10<sup>th</sup> International Conference on Gynecology and Obstetrics** which will be held in **London, UK** on **July 03-04, 2023**, where we will be shining a spotlight on *“New innovations and Advancements in Gynecology and Obstetrics”*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance in Gynecology and obstetrics research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities which is called as Barcelona. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2023 for an experience of a lifetime.

With Regards

### About Hosting Organization

Conference Series LLC Ltd is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by

### How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

### Gynecology 2023 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

### Who Should Attend?

Gynecology 2023 Conference website is attracting Gynecologists, Obstetricians, Women's health Care Researchers, Scientists and professors, Healthcare Faculty, Registered Nurse, Medical Colleges Staff, Healthcare Associations and Societies, Business Entrepreneurs, Midwife Nurse Educator, Nurse Practitioner, Infertility Specialists, Embryologists, Radiographers and Sonographer, Anaesthesiologist.

### Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

### Conference Highlights

- Gynecology & Obstetrics
- Gynecological Disorders
- Reproductive Medicine
- Gynecological Oncology
- Fertility & Infertility
- Importance of Women's Health
- Midwifery and Gynecology Nurse
- Maternal Fetal Medicine
- Polycystic Ovary Syndrome
- Pregnancy and Child Birth
- Pre and Post-Partum Care
- Breast & Ovarian Cancer
- Menopause
- Family Planning
- Paediatric and Adolescent Gynecology
- Sexual and Reproductive Health
- Gynecological health and disorders
- Assisted Reproductive Technology (ART)

*The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.*

**Amur Margaryan**  
National Science Laboratory, USA

*The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.*

**Kuang-Hui Chi**  
National Yunlin University of Science & Technology, Taiwan

*That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.*

**Sudhanshu Sekhar Panda**  
University of North Georgia, USA

*The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.*

**Ida PucciMinafra**  
University of Palermo, Italy

*The conference was well organized and the committee was outstanding in keeping the whole event lively.*

**MouradTayebi**  
University of Surrey, England

*It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.*

# ABOUT LONDON

Gynecology 2023

London is the capital city of England and the United Kingdom, and the largest city, urban zone and metropolitan area in United Kingdom, and the European Union by the most measures. Located on the River Thames, London has been a major settlement for two millennia, its history going back to its founding by the Romans, who named it Londinium. London is a leading global city, with strengths in the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism and transport all contributing to its prominence. London has been described as a world cultural capital. London has been described as a world cultural capital. It is the world's most-visited city as measured by international arrivals and has the world's largest city airport system measured by passenger traffic. London's 43 universities form the largest concentration of higher education in Europe.

A multicultural city, London has a diverse range of peoples and cultures, and more than 300 languages are spoken within its boundaries. London has four World Heritage Sites: the Tower of London, Kew Botanic Garden, the Palace of Westminster, and St Margaret's Church, National Maritime Museum, and the historic settlement of Greenwich Observatory. Other famous landmarks are Buckingham Palace, the London Eye, Piccadilly Circus, St Paul's Cathedral, Tower Bridge, Trafalgar Square, and The Shard. London is home to numerous museums, galleries, libraries, sporting events and other cultural institutions, they are the British Museum, National Gallery, British Library and 40 West End theatres. The Railway of London Underground is the oldest underground railway network in the world. London is the seat of the Government of the United Kingdom, which is located around the Palace of Westminster. London's status as the capital of England, and later the United Kingdom, has never been granted or confirmed officially by statute or in written form. London is one of the pre-eminent financial centers of the world and vies with New York City as the most important location for international finance.
