

11<sup>th</sup> International Conference on  
**Pediatric Nutrition,  
Gastroenterology and Child Development**

July 18–19, 2022 | London, UK

# Invitation

Dear Attendees,

We are glad to announce the “**6<sup>th</sup> Annual World Congress on Pediatric Nutrition, Gastroenterology and Child Development**” to be held in **Barcelona, Spain** during **October 15-16, 2021** organized by Conference Series llc LTD, Europe in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. Pediatric Nutrition 2021 is centered with the theme “**Impact of COVID-19 on Mental Health and Drug Addiction**”.

**Pediatric Nutrition 2021** is the gathering of Scientists, Pediatric and Neonatal Nutrition, Pediatric Diet , Clinical Pediatric Gastric Problems, Speakers, Professors, Business delegates and Students all over the world to participate to discover the new novel therapeutics of Pediatrics, where people can get desired knowledge over future challenges in varied sorts of Pediatric Nutrition, Gastroenterology and Child Development & its related issues. We are glad to invite you at Pediatric Nutrition 2021 where you can experience a really sumptuous information and knowledge in the field of Pediatric Nutrition, Gastroenterology and Child Development.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life. Attend the Pediatric Nutrition 2021 to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to **Barcelona** this **October**.

Sincerely,  
**Pediatric Nutrition 2021**  
Organizing Committee

## B2B Meetings

### Our International Open Access Journals About Us

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

### Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

### Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

### Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manuscripts in our Open Access Journals

Special Issues : All accepted abstracts will be  
published irrespective Conference Series Ltd Journals  
Each abstract will be provided with digital Object Identifier by

# About Conference

Pediatric Nutrition 2021 Conference website is attracting 56000+ Neurologists, Neurosurgeons and Pediatric Hepatology, Pediatric Care & Nursing, Pediatric Psychology, Pediatric Endocrinology, Pediatric Gastroenterology, Pharmacists, Research scientists, Neurology Organizations and societies, Pharmaceutical companies, Pediatric Nutrition, Gastroenterology and Child Development, Pediatrics associations, Professors and Students. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

## **Pediatric Nutrition 2021 salient features**

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

## **How Conference Series Conferences differs from others?**

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

## **Goals**

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Pediatric Nutrition present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address Impact of COVID-19 on Pediatric Nutrition, Gastroenterology and Child Development

## About Barcelona

Barcelona is a city in Spain. It is the capital and greatest city of the free system of Catalonia, similarly as the second most packed locale of Spain. With a masses of 1. 6 million inside city limitsits urban area loosens up to different neighboring regions inside the Province of Barcelona and is home to around 4. 8 million individuals, making it the sixth most packed urban zone in the European Union after Paris, London, Madrid, the Ruhr zone and Milan. It is maybe the greatest city on the Mediterranean Sea, arranged on the coast between the mouths of the conduits Llobregat and Besòs, and constrained toward the west by the Serra de Collserola mountain broaden, the tallest zenith of which is 512 meters (1,680 feet) high.

Built up as a Roman city, in the Middle Ages Barcelona transformed into the capital of the County of Barcelona. In the wake of meeting with the Kingdom of Aragon, Barcelona continued being a noteworthy city in the Crown of Aragon as a money related and administrative point of convergence of this Crown and the capital of the Principality of Catalonia. Barcelona has a rich social heritage and is today a noteworthy social concentration and a critical explorer objective. Particularly esteemed are the designing works of Antoni Gaudí and Lluís Domènech I Montaner, which have been doled out UNESCO World Heritage Sites. The home office of the Union for the Mediterranean are arranged in Barcelona.

Barcelona is one of the world's driving explorer, money related, trade sensible and social centers, and its effect in exchange, preparing, delight, sports, media, plan, science, and articulations of the human experience all add to its status as one of the major overall urban areas. It is a huge social and financial concentration in southwestern Europe, 24th on the planet (before Zürich, after Frankfurt and a cash related core interest. In 2008 it was the fourth most fiscally stunning city by GDP in the European Union and 35th on the planet with GDP signifying €177 billion. In 2012 Barcelona had a GDP of \$170 billion; and it was driving Spain in business rate at that time.
