

22nd International Conference on
Oral & Maxillofacial Pathology

Date: June 13-14, 2024

Venue: Rome, Italy

Theme:

Oral & Maxillofacial Pathology: Scientific Innovation, Challenges and Theories in Oral Pathology

INVITATION

Dear Attendees,

We are glad to announce the “**22nd International Conference on Oral & Maxillofacial Pathology**” to be held in **Rome, Italy** on **June 13-14, 2024** organized in collaboration with generous support and cooperation from enthusiastic academicians and Editorial Board Members. **Oral Pathology** aims at sharing new ideas and technologies amongst the professionals, industrialists and students from research areas of Oral & Maxillofacial Pathology Formulations and Drug Delivery. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

22nd International Conference on Oral & Maxillofacial Pathology amid **June 13-14, 2024** at **Rome, Italy**. This consolidates incite keynote presentations, Oral talks, Poster presentations and Exhibitions.

Sincerely,

Oral Pathology 2024

Organizing Committee

ABOUT US

► Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

► Salient Features

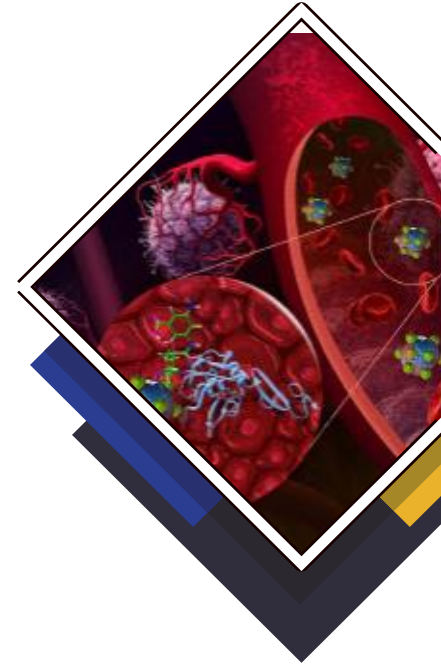

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

► Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

► Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manuscripts in our Open Access Journals

ABOUT CONFERENCES

Oral Pathology 2024 Scientific Committee is honored to welcome you all to attend **22nd International Conference on Oral & Maxillofacial Pathology** which will be held during **June 13-14, 2024** at **Rome, Italy**. **Oral Pathology 2024** will raise the most dynamic and latest issues in the field of Oral and Maxillofacial Pathology. The Congress will highlight the discussion around the theme “**Oral and Maxillofacial Pathology: Scientific Innovation, Challenges and Theories in Oral Pathology**” by bridging the gaps between the intellectuals from across the globe to enlighten their research and findings at **Oral Pathology 2024**. The highlights of the conference presents a fantastic line-up for many international experts such as Professors and Ph.D Scholars from academia, Clinicians, R&D Scientists, CEOs, CROs, CMOs, Director, President from Pharmaceutical Companies, Manufacturers, Distributors and Suppliers of Drug Delivery Technologies, Business Entrepreneurs, Health professionals & Pharmacist, Quality control specialist. It provides interdisciplinary platform to present and discuss the most recent innovations, trends as well as practical challenges encountered and solutions adopted in the fields Oral and Maxillofacial Pathology

► **Oral Pathology 2024 Salient Features**

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

► **How Conference Series Conferences differs from others?**

- 3000+ Conferences across the globe in 150+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientist's representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

► **Goals**

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.
- Bringing together the world's Business Experts to catalyze and advance scientific knowledge about International Conference on Oral and Maxillofacial Pathology, present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services

ABOUT CONFERENCES

▶ Objectives

- After participating in this meeting, attendees should be able to
- Discuss emerging issues in Oral and Maxillofacial Pathology
- Discuss and apply recent research findings related to Oral and Maxillofacial Pathology.
- Reflect on the place of critical distance in Oral and Maxillofacial Pathology.

▶ Who should attend?

Academicians including Professors, PhD. Scholars, Students carrying out Nano Pharmaceutical and technology and The conference is of interest to all those in the Continuing Education/Professional Development experience, including pharmacists, developers, sponsors, faculty, regulators, government, professional associations, pharmaceutical industry, communication companies, and allied health care providers and organizations from around the world

▶ Oral Pathology 2024 salient features

- Experimental pathology
- Oral Pathology
- Oral and Maxillofacial Pathology
- Infectious diseases of maxillofacial region
- Dental Hygiene
- Surgical Pathology
- Oral Tumors and Cysts
- Oral Surgery
- Diagnostic procedures of Oral and Maxillofacial region
- Oral and Maxillofacial Lesions
- Odontogenic and Nonodontogenic Tumors
- Oral and Maxillofacial Surgery
- Immunologic Diseases
- Oral Cancer
- Oral Cysts
- Neuro pathology
- Pulmonary pathology
- Renal pathology
- Oral Infections
- Histopathology
- Geographical pathology

▶ About hosting organization

Conferenceseries LLC Ltd is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.

ABOUT ROME

Rome, Italy, renowned as the "Eternal City," is a captivating blend of ancient history and modern vibrancy. Situated in the central-western part of the Italian Peninsula, Rome's geographical location along the banks of the Tiber River has played a pivotal role in its historical and cultural significance. Nestled within the Lazio region, Rome stands as the capital of Italy and boasts a rich heritage that spans millennia. Its iconic landmarks, such as the Colosseum, a testament to its ancient past as the heart of the Roman Empire, and the Vatican City, the spiritual center of the Roman Catholic Church, draw millions of visitors each year. The city's allure lies not only in its architectural marvels but also in its bustling piazzas, charming cobblestone streets, and world-class art collections displayed in museums like the Vatican Museums and the Galleria Borghese. Rome's cuisine, characterized by delectable pasta dishes, thin-crust pizzas, and gelato, offers a delightful exploration of flavors. With its fusion of historical grandeur and contemporary energy, Rome continues to captivate the hearts of all who wander its timeless streets.
