ABOUT US

Magnus Group is thrilled to invite one and all to its highly established event solely dedicated to infection and epidemiology, **“6th Edition of World Congress on Infectious Diseases” (INFECTION 2024)** which is all set to take place in **Paris, France** and **Virtually** during **June 24-26, 2024**.

INFECTION 2024 promises to be an enlightening experience, bringing together professionals, experts, researchers, and enthusiasts from around the world. The conference will revolve around the theme of **“ Eradicating Infectious Disease Through Ascension in Research ”** highlighting the latest breakthroughs and innovations in the field. With a comprehensive program, **INFECTION 2024** will offer a platform for knowledge exchange, networking, and

collaboration among individuals involved in infectious and epidemiology. The conference will feature keynote speeches by renowned experts, informative presentations, interactive panel discussions, poster sessions, and engaging workshops. Attendees can expect to explore a wide range of topics related to infection, infection disorders, infection procedures, advancements in technology, and the latest trends in the industry. From cutting-edge research to practical applications, the conference will provide valuable insights into the ever-evolving field of infection and epidemiology.

In addition to the in-person conference in Italy, virtual participation options will be available, allowing attendees to join from anywhere in the world. This ensures that the knowledge-sharing and networking opportunities are accessible to a diverse global audience. We invite all professionals, researchers, clinicians, industry representatives, and anyone passionate about infection and epidemiology to join us at **INFECTION 2024**. This is a remarkable opportunity to expand your knowledge, gain exposure to the latest advancements, and connect with like-minded individuals from across the globe.

We look forward to your participation in **INFECTION 2024**, where together, we can revolutionize skin care through advancements in infectious and epidemiology.

GLIMPSES OF PAST CONFERENCE

PAST CONFERENCE TESTIMONIALS

“ **Pawel Brzuzan**
University of Warmia and Mazury in Olsztyn,
Poland
It was an excellent conference and wonderful
experience.

“ **El Hassane Larhrib**
University of Huddersfield, UK
It was an excellent conference and wonderful
experience.

“ **Joe E. Springer**
University of Kentucky, USA
I had a wonderful time at the PDDS 2018
conference, and may have made some new
friends/collaborators as well!

“ **Gerald H Tomkin**
Beacon Hospital and Trinity College Dublin,
Ireland
Many thanks. I certainly enjoyed the
conference. Being in Rome is a special
occasion and in wonderful weather. Again
many thanks for the invitation.

“ **Natassa Pippa**
University of Athens, Greece
Firstly, I would like to congratulate Magnus
group about the amazing conference. I am
planning to participate again in the next one
in Paris.

“ **Nicole Hess**
University of New England, Australia
It was a very fascinating conference and
had a wonderful experience to share about
research with professionals in the field.

“ **Mino R Caira**
University of Cape Town, South Africa
With regard to PDDS 2018 held in Rome, I
can certainly declare that the keynote lectures
and oral presentations were generally of an
excellent standard and although covering
a wide range of topics, in my opinion, they
were all relevant to the discipline of drug
delivery.
