17:30-19:00 ORAL / VIDEO PRESENTATION			
Award Felicitation & Closing Ceremony			

ABOUT CONFERENCE

We are glad to announce the **6th European Congress on Applied Microbiology and Beneficial Microbes** organized by Coalesce Research Group which is to be held on **October 03-04, 2024**, in Amsterdam, Netherlands. **Applied Microbiology 2024** has connected top applied research and early-stage innovations from universities, labs and start-ups with industry end-users and prospectors. Efficiency of Microbiology has led to great and had a great environmental impact. This intriguing event has taken the initiative to gather the world class experts both from Academic and Industry in a common platform at Microbiology Conference to share their recent research finding to the world and enlighten other esteemed delegates on latest trends in the field of Microbiology (Sessions). We cordially invite all concerned people from all countries to join in our event at Amsterdam, Netherlands and make it successful by your participation.

Why to Attend?

Presenting your Organization's Work on a Global Stage:

Your organization's expertise and knowledge will be showcased to key players in the field of Microbiology and will be a unique platform to increase your reputation within the sector.

SESSIONS

- Microbial Ecology
- Microbial Genetics
- Evolutionary Microbiology
- Systems Microbiology
- Medical Microbiology
- Pharmaceutical Microbiology
- Industrial Microbiology
- Agricultural Microbiology
- Microbial Biotechnology
- Food Microbiology
- Environmental Microbiology
- Microbial Techniques
- Industrial Fermentation
- Foodborne Diseases
- Veterinary Microbiology
- Enzymology and Protein Engineering
- Genomics, Transcriptomics and Proteomics
- Prebiotics & Probiotics
- Microbial Biomass Production
- Microbial Biodeterioration of Materials
- Bioremediation
- Cellular Microbiology and Cytology
- Bioelectricity & Bioelectrical Research
- Molecular Microbiology
- Microbial Bioinformatics
- Plant Beneficial Microbes
- Marine Microbiology
- Microbe-Host Interactions
- Geomicrobiology

GLIMPSES OF PAST CONFERENCE

WHY TO ATTEND?

- Presenting your Organization's Work on a Global Stage
- New Places; New People
- Learn from other Speakers
- Discuss and overcome Issues in the Field
- Leading a Workshop
- The Opportunity to Collaborate and Sponsor
- Chairing
- Target Audiences

Opportunities for Conference Attendees

For Researchers & Faculty

- Speaker Presentations
- Poster Display
- Symposium Hosting
- Workshop organizing

For Universities, Associations & Societies

- Association Partnering
- Collaboration Proposals
- Academic Partnering
- Group Participation

GUIDELINES

Speaker

- Oral presenters will be allocated 25 minutes for their presentation and 5 minutes for questions and answers.
- 20 slides are optimal, allowing 1 minute per slide.
- Speakers must bring their slides on a portable drive to the Conference hall so slides can be uploaded to the presentation computer

Poster

- A poster session is a graphic presentation of an author's research.
- The poster size is 1M*1M.
- Poster material should be well labeled and legible from a distance of 10 to 15 feet.
- The title should be the same as the title submitted with the abstract and appear in boldface at the top.

Abstract acceptance will be intimated through Email & WhatsApp.

Then you can proceed further by registering towards the conference to confirm your slot.

CONFERENCE REGISTRATION

Category	Price
Presenter	\$ 599
Listener	\$ 649
Exhibitor	\$ 1500

REGISTRATION INCLUDES

- Access to all Presentations
- Conference Proceedings Book
- Certificate Accredited by our Organizing Committee Member

Mode of presentation

1. Keyote presentation
2. Speaker presentation
3. Poster presentation
4. E-posters
5. Young researcher presentation
6. Student presentation (oral/poster)

Mode of participation

1. In-person
2. Online participation

GROUP REGISTRATION

Discount available for more than
3 members
