About Conference:

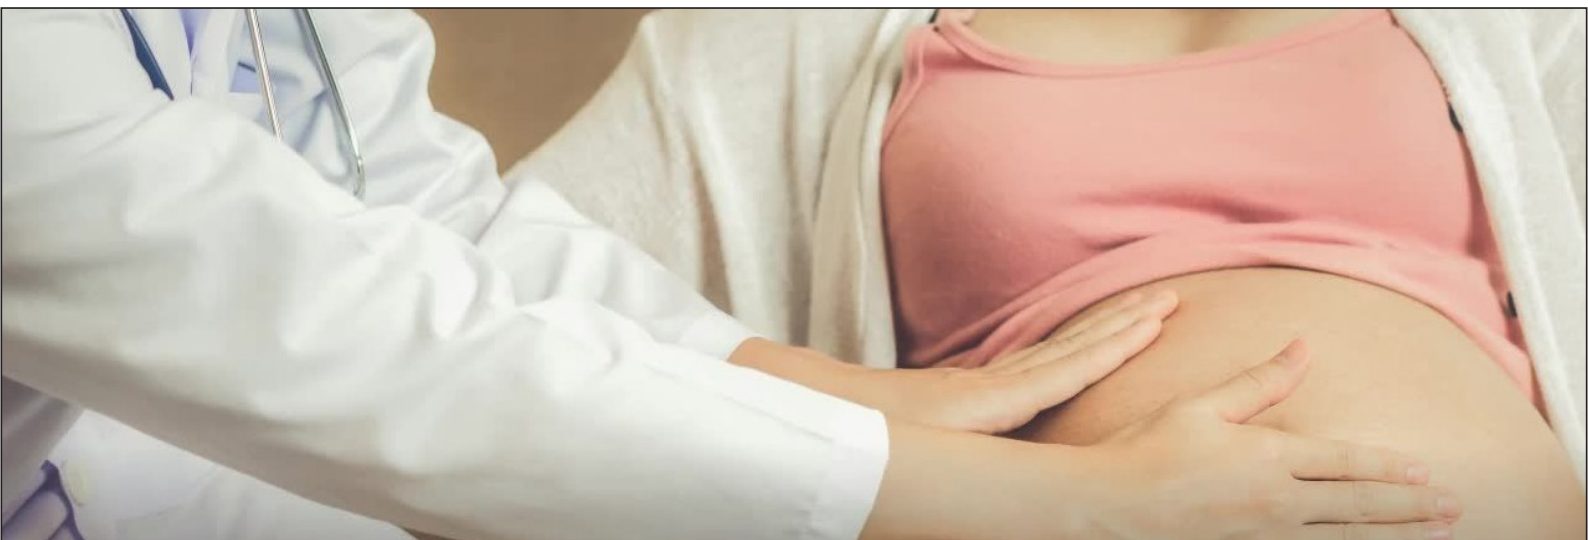

The 4th International Conference on Gynecology & Obstetrics, slated to be held in the vibrant city of Tokyo, Japan, from October 21-22, 2024, is set to build on the resounding success of its three predecessors. Themed “Empowering Women’s Health: Advances, Challenges, and Innovations in Gynecology & Obstetrics,” this conference is a beacon for professionals, researchers, and practitioners dedicated to the well-being of women worldwide. Attendees can anticipate a dynamic platform that transcends conventional boundaries, fostering collaborative dialogue on cutting-edge advancements in the field. From exploring groundbreaking medical technologies to addressing persistent challenges and envisioning innovative solutions, the 4th edition promises to be a pivotal event, steering the discourse toward empowering women’s health globally.

Against the backdrop of Tokyo’s rich cultural tapestry, participants will engage in thought-provoking discussions, share insights, and forge meaningful connections with like-minded professionals. As the conference unfolds, it will not only showcase the latest scientific breakthroughs but also inspire a collective commitment to enhancing the quality of care in gynecology and obstetrics. Join us in Tokyo as we collectively chart the course for the future of women’s health, celebrating achievements, tackling challenges, and embracing innovations that will shape the landscape of gynecological and obstetric care for years to come.

Who can Attend?

- Scientists
- Researchers
- Students
- Doctors
- Professors

GLIMPSES OF PAST CONFERENCE

Speakers Word

Dr Ineta Vasaraudze, *I.Vasaraudzes Private Clinic, Latvia.*

Thank you for helping with all the organizational part of the conference and being so present in every part of the event, including emails and any support that was necessary. It left a very good impression about the event.

Dr Sahbanathul Missiriya Jalal, *King Faisal University, Saudi Arabia.*

I was so glad to be a speaker at this Fantastic OBGN conference. Thanks so much for all your thoughtful and practical organization. I was impressed with the commitment and efficiency of those who plan this conference. I really enjoyed my time at the conference. Once again thanks a lot for giving me this opportunity.

Dr Kuldeep Singh, *Dr Kuldeep's Ultrasound and Color Doppler Clinic, India.*

The 2nd International conference on Obstetrics and Gynecology was a bouquet of topics from Imaging to Laparoscopy to Hysteroscopy to Prevention of Birth defects and experiences of Health care Professionals from all over the globe. The oral and poster presentations were crisp and enlightening. Congratulations to the Coalesce Research Group for a successful conference and wishing them many more such programmes for the future. All the best.

Ola Mousa, *King Faisal University, Saudi Arabia.*

This conference has provided me with a lot of benefits. As a result, I became more confident with presenting in front of many people, some of whom I knew, but many who I didn't. It was a very rewarding experience to deal with people from different cultures and backgrounds.

Sergey Suchkov, *A.I.Evdokimov Moscow State University of Medicine & Dentistry, Russia.*

Your experience covering Gynecol, Obstetrics meeting is just great! being presented for the audiences by the speaker as the newest and solid ENTITY!
Whilst unveiling the secrecy in reproductive medicine and family planning!
