Neurological Disorders

Neurology 2019

Future Shape of Neurology and Neurological Disorders: Accessions, Organizations & Research

Conference Dedicated to Innovate Solution to the Public Health Challenges

Your single Destination to reach Largest Assemblage of participants from
Neuroscience Community

Opportunity beyond any Comparison to Attend & Network

Experience the Global Ambiance with Researchers with Similar Significance

Make New Associations and Fostering Potential Partnerships

Learning & Knowledge in a Single Package

Worldwide Acknowledgement to your Research Profile

Explore the best in Cutting Edge Research

Learn Beyond your Field of Interest

Professional Development to Elevate your Knowledge and Skills

Neurology 2019

Speakers Representation from 50+ Countries

1 Conference | 2 Days

15 Keynote Talks | 75 Plenary Speakers | 21 Interactive sessions

Symposia | Workshops | Best Poster Award

200 Attendees | 50 Professors | and many more . . .

Greetings!

Welcome to most exciting and fascinating city of Melbourne, Australia

Within this splendid setting, we plan to deliver a conference that will exceed your expectations.

During this year's Conference, we hope that you will seize the opportunity to rekindle ongoing connections and spark new ones with your colleagues from around the globe It's with great pleasure and great honor to invite you to the **"19th International Conference on Neurology and Neurological Disorders"** scheduled during **November 04-05, 2019** at **Melbourne, Australia**.

The Conference will be organized around the theme "Collaborative Strategies to Fight Neurological Disorders"

Neurology 2019 anticipates more than 500 participants around the globe to experience thought provoking Keynote lectures, Oral & Poster presentations. This year conference will offer ample opportunities for all stakeholders working on Neuroscience, Alzheimer's and neurology to expose their research work.

Our conference aims to gather the Researchers, principal investigators, experts, neurologists and researchers working on brain from both academia and health care industry, Business Delegates, Scientists and students across the globe to provide an international forum for the dissemination of original research results, new ideas and practical development experiences.

This year's Conference program, coupled with the Business Opportunity Exchange, is an event you can't afford to miss!.

Sincerely

Hazel Jane

Program Manager | Neurology 2019

Organizing Committee

We are delighted to organize a Conference that is dedicated to Innovate Solution to the Public Health Challenges, one conference which future the shape of Neurology and Neurological disorders. Our Conference will organize and allow to access the global researchers around the world in a single platform. Neurology 2019 will provide a great opportunity beyond any comparison to attend and network with Neurology and Neurological disorder.

Join us at our 2019 edition of Neurology Congress to Experience the Global Ambiance with the Researchers who work with similar significance of research. Neurology 2019 will help you to get answers to all your queries related to your research work and also it creates an great opportunity to make new associations and also helps to foster potential partnerships. Neurology 2019 will be an great platform for you to create long lasting relationship with the fellow researchers from Neurology Community.

Get worldwide acknowledgement to your research profile where more than 55000 Visitors who analyzed our conference website to attend and submit proposals of their research work. Where this was recorded as the highest number of Visitors from both, developed and developing nations. While we penetrate the study of visitor, navigation, and traffic patterns to determine the success of our conference website majority amount of traffic we rceive from cities like New York, London, Valencia, Amsterdam, Madrid, Barcelona, Athens, Sydney, Paris, Frankfurt, Tokyo, Osaka, Melbourne, Moscow and Vienna.

Neurology 2019 website is attracting 56000+ Neurologists, Neurosurgeons and Psychiatrists, Brain Researchers, Neuro Oncologists, Pharmacists, Research scientists, Neurology Organizations and societies, Pharmaceutical companies, Neuro and CNS drug Industries, Neuroscience associations, Professors and Students..

This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

Neurology 2019 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

MONDAY, NOV 04

08:00-09:00

Registration

09:00-09:30

Opening Ceremony

09:30-10:15

Awards Banquet and Closing Ceremony

Purpose

With members from around the world focused on learning about Neurology and Neurological disorder, this is your single best opportunity to reach the largest assemblage of participants from the scientific community.

Conduct demonstrations, distribute information, meet with eminent personalities, and make a splash with latest research innovations at this outstanding event.

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration.
- The goals of the conference is to provide a transformative professional development experience through
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Neurology present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address Depression problems and Anxiety Disorders and overcome barriers that limit access to care and services.

Objectives

- After participating in this meeting, attendees should be able to
- Discuss emerging issues in Neuroscience
- Discuss and apply recent research findings related to Neurology
- Disseminate the diverse voices of breakthrough innovators with visionary and practical solutions.

Who should attend?

Neurologists, Neurosurgeons, Psychiatrists, Brain researchers, Neuro Oncologists, Pharmacists, Research scientists, Neurology Organizations and societies, Business delegates, CEO's and R&D Heads from Industries, Directors, Industrial Leaders, Pharmaceutical companies, Neuro and CNS drug Industries, Neurology associations & foundations, Professors and Students from Academia in the study of Neurology and Neurological disorder and researchers who utilize novel techniques and knowledge in diagnosing and treating brain and neuronal disorders.

Diverse Action-Oriented Programming & Networking

EXPERIENCE: Inspiring change around the country and world, growing a revolution in the field of Psychology.

EXPLORE the forefront of breakthrough ideas and models in electrifying morning keynote talks, featuring luminaries and “the greatest people you’ve never heard of.”

PARTICIPATE in afternoon panels and workshops/symposiums on diverse topics of Depression, Anxiety Disorders and Stress Management and more!

NETWORK with a community of leadership – dynamic change makers from around the country and world, or from your region, to develop important professional and personal relationships.

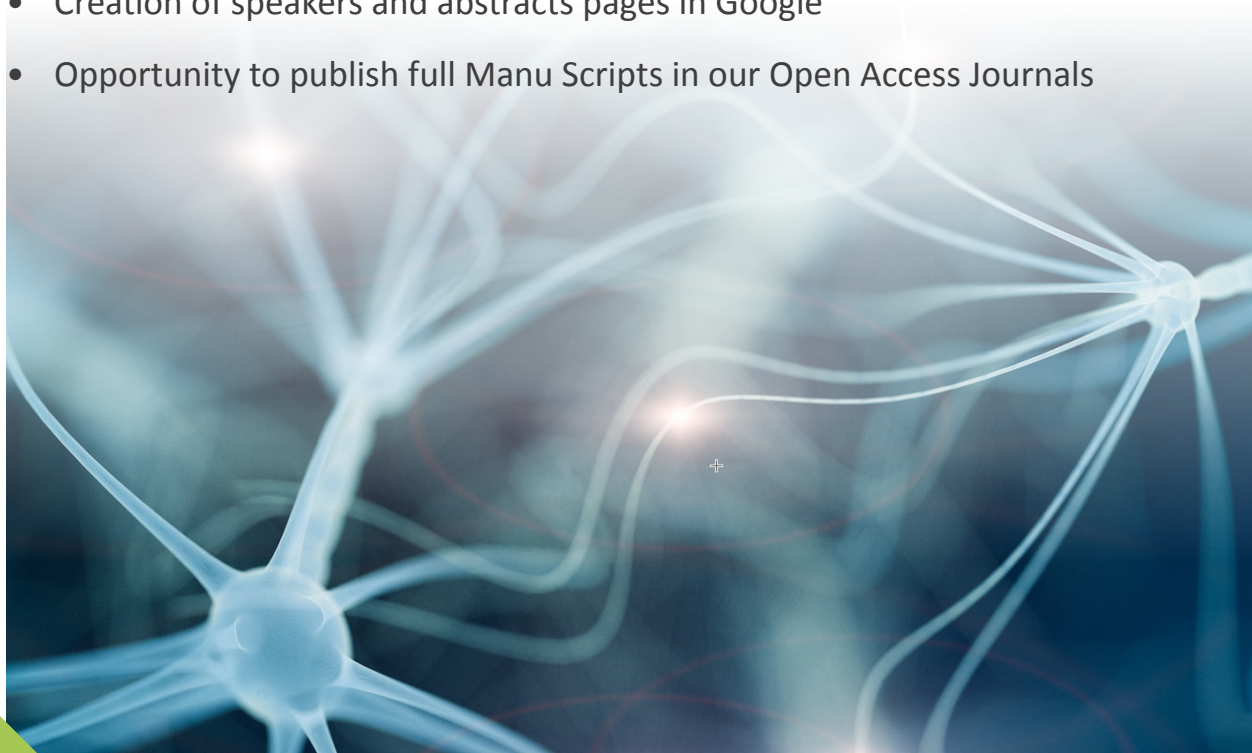

SHARE your insights and learning at the conference in participatory and experiential workshops.

DISCOVER powerful opportunities and strategies for creating and engaging with progressive change in your work, life and community.

CELEBRATE how great a difference one person can make, and how building community amplifies that change.

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manuscripts in our Open Access Journals

Melbourne is the capital city of the state of Victoria and is home to more than five million people. It has a proud history of cultural diversity – it is made up of many different people from all kinds of cultures and all ages.

The official language spoken in Melbourne is English, but more than 100 languages are spoken by Melbourne residents including Mandarin, Italian, Greek, Cantonese, Arabic and Vietnamese.

Melbourne is governed by a strong and stable government and has three levels of government in Australia to ensure all aspects of society are effectively governed.

The centre of Melbourne is threaded with cobbled laneways, which have become a mecca for coffee shops, cafés and unique shopping boutiques. For Melburnians, coffee is more than just an essential part of their morning routine. It's become so deeply embedded in the culture that it has truly evolved into an art form. Home to thousands of cafes and some of the world's best baristas, you'll never be far away from a sophisticated cup of single origin coffee.

The National Gallery of Victoria (NGV) is Australia's oldest gallery (founded in 1861) and hosts an exciting range of international and local exhibitions and events, and a collection of more than 70,000 works

Explore the best in Cutting edge Research

Change to learn beyond your field of Interest

Keynote sessions by worlds most eminent and distinguished researchers

Conference Participation Inspires, Rejuvenate and Energize participants

Dementia 2018 an unique platform to increase your reputation within the Neurology Sector

Learning and Knowledge in a single package

Speaker's representation from 50+ Countries

1 Conference | 3 Days

The market analysis of Neurology represents the largest and untapped market in medicine sector. This estimated market analysis is based on probability of approval and sales of products in late stage development, demographic trends and marketing of product. Emerging markets once again helps to boost revenues. CNS therapeutics comprise approximately 15% of total pharmaceutical sales, nearly \$30 billion worldwide.

An estimated annual economic costs of anxiety disorders, depression, and schizophrenia are \$47 billion, \$44 billion, and \$33 billion per year approximately. The goal of this session is to understand the market Value & Growth of Neurology Drugs, Current economics cost of clinical research and development.

Target Audience:

Neurologists, Neuroscientists, Psychiatrists, Neuropsychologists, Neuroscience Institutions, Educational institutions, Clinical organizations, Geriatric Psychiatrists, Geriatricians, Young researchers, Students, Researchers in field of Neurology, Clinical Neurologist, Speech Therapists, Physical Therapists, Nurses, Health organisations, Pharmaceutical companies and industries, Business delegates, Social Workers, All those providing care and treatment to patients with Neurological Disorders.

Accompany Partners' Policy:

We respectfully remind you that partners accompanying delegates/speakers are not eligible to attend conference sessions and do not qualify for refreshments and lunches during the day unless they have registered.

Any partner wishing to attend events not previously selected and paid for in his or her registration may do so at the Conference Registration desk.

We would be pleased to accommodate any requests where possible.

Registration and Accommodation

Policy:

Registration and accommodation changes will not be accepted unless made in writing.

Changes made within 14 days of the event may incur costs due to specific hotel and venue policies

Cancellation Policy:

Registration cancellations will not be accepted unless made in writing.

Cancellations request made before 04 November, 2019 will be refunded less 25% of the Conference Registration fee, to cover administration costs.

No registration refunds will be processed after this date, however, substitute delegates are welcome.
