## About Dubai, UAE

Dubai, one of the world's fastest growing city in economies, is located on the Eastern coast of the Arabian Peninsula, in the south west corner of the Arabian Gulf. Dubai has been called the "shopping capital of the Middle East". Dubai alone has more than 70 shopping centers, including the world's largest shopping centre, Dubai Mall. Dubai is also known for the historical souk districts located on either side of its creek. Dubai has attracted world attention through large construction projects and sports events, in particular the world's tallest building, the Burj Khalifa. The flat sandy desert gives way to the Western Hajar Mountains, which run alongside Dubai's border with Oman at Hatta. The sandy desert surrounding the city supports wild grasses and occasional date palms. Dubai has a hot desert climate. Summers in Dubai are extremely hot, windy, and humid, with an average high around 41 °C and overnight lows around 30 °C in the hottest month, August. Most days are sunny throughout the year.
