

## **INDC 2020**

**20<sup>th</sup> International  
Nutrition & Diagnostics  
Conference**

### **INDC 2020, Hotel DAP, Prague, September 01 – 04, 2020**

INDC is an international forum for scientific discussion focused on understanding of the relationship between nutrition and clinical diagnostics. The mission of the INDC is to improve our comprehension of the effects of nutrition on human physical and mental health.

INDC 2020 is a four-day conference. It is composed of blocks of lectures. The conference incorporates an industrial exhibition and poster sessions.

#### **TOPICS:**
