the field of Dentistry”**

# Invitation

On behalf of the Organizing Committee, we are delighted to invite you to the **World Congress on Dentistry** which will be held in **Aug 10-11, 2020** in **London, UK**

We are gathering a world-class panel of expert speakers to address you from both, international and regional communities. This congress will provide you with a platform to share experiences and discuss breakthroughs in various specialist fields and a necessary criterion to successfully assess & expand your own practices. We have included keynote lectures, round table discussions, video sessions and abstract sessions covering a wide array of topics for you to be introduced to the latest technologies and techniques in the field of Dentistry.

**Dentistry 2020** will also have several live surgical workshops and from the wide array of presentations submitted to us by the research committee, the scientific committee will choose the best ones to be presented during the congress and the best presentations will be recognized and awarded.

The congress venue is conveniently located in the center of the city, close to the airport, metro stations, and shopping destinations. We are confident that this Congress will exceed your expectations, offering an exciting scientific event as well as an enjoyable social and cultural experience.

Interaction between speakers and the audience will once again be a key feature of the meeting, with open discussions aimed at better understanding the disease processes and available therapeutic options.

We would be very grateful if you could make suggestions on emerging topics in order to do provide the best service.

Your presence and participation will, as always, be the key in our work.

We look forward to meeting you all in London, UK.

**Regards,**
