

EMORY UNIVERSITY CONTINUING MEDICAL EDUCATION 100 Woodruff Circle NE, Suite 331 Atlanta, GA 30322

# www.emory.edu/CM

Winship Cancer Institute of Emory University presents

# Winship Melanoma & Cutaneous Oncology Symposium

## SATURDAY, MARCH 7, 2020

Emory University Health Sciences Research Building 1760 Haygood Drive NE Atlanta, GA 30322

EMORY WINSHIP CANCER INSTITUTE

# **General Information**

## **COURSE DESCRIPTION**

The management of melanoma has undergone a rapid and massive shift in the past decade. Improvements in diagnosis, classification, and treatment have contributed to improving outcomes in patients. However, the rapid improvement also places great strain on clinicians who must remain updated with the latest data supporting new diagnostic and therapeutic methods.

This meeting will serve as a valuable forum for the presentation and discussion of newly available data. Participants will be provided with an update on practice-changing data in a practical and interactive format, fostering discussion and impacting clinical outcomes for patients with melanoma and non-melanoma skin cancer.

## **TARGET AUDIENCE**

This activity is specifically designed to meet the needs of dermatologists, medical, surgical, and radiation oncologists, hematologists, residents, fellows, advanced practice providers, nurses and pharmacists.

## **LEARNING OBJECTIVES**

After successful completion of this educational activity, participants should be able to:

- Identify best practices for diagnosis and risk assessment during the diagnostic workup of melanoma, including the appropriate use of sentinel-node biopsy;
- Recognize key features of non melanoma skin cancer, along with the emerging treatment options and recent clinical trial data in this setting;
- Outline treatment strategies for Merkel cell carcinoma;
- Select patients for whom radiotherapy should be used alone or in combination with other therapeutic modalities;
- Identify key data supporting systemic treatment options like immunotherapies and MAPK pathway inhibitors;
- Recognize and manage cutaneous and non-cutaneous complications of immunotherapy and targeted therapy;
- Understand the adjuvant and neoadjuvant approaches to skin cancer.

## **CONTINUING EDUCATION CREDIT**

The Emory University School of Medicine designates this live activity for a maximum of 5.5 AMA PRA Category 1 Credits<sup>TM</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 5.5 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCE for the purpose of granting ABIM MOC credit.

The Emory University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

This education activity will be submitted to the Emory Nursing Professional Development Center (ENPDC). Determination of credit is pending.

This education activity will be submitted to the Georgia Society of Health-System Pharmacists. Determination of credit is pending.

## SYMPOSIUM LOCATION AND LODGING

The conference will be held in the Emory University Health Sciences Research Building, 1760 Haygood Drive NE, Atlanta, GA 30322.

We have not reserved a hotel room block. For your convenience, a few nearby hotels are:

Emory Conference Center Hotel (0.8 miles) 1615 Clifton Road, Atlanta, GA 30329 phone: (800) 933-6679 www.emoryconferencecenter.com

The University Inn at Emory (0.5 miles) 1767 N Decatur Road, Atlanta, GA 30307 phone: (800) 654-8591 https://www.univinn.com

Courtyard by Marriott Atlanta Decatur Downtown/Emory (2.0 miles) 130 Clairemont Avenue, Decatur, GA 30030 phone: (404) 371-0204 https://www.marriott.com/hotels/travel/atldc-courtyard-atlantadecatur-downtown-emory/

## REGISTRATION

The registration fee includes course material, continental breakfast, breaks, lunch and other amenities involved in a rewarding learning experience. Minimum and maximum enrollments have been established. A refund of your registration fee will be made if written cancellation is received no later than April 17, 2020. The liability of Emory University is limited to the registration fee. Emory will not be responsible for any losses incurred by registrants, including but not limited to, airfare cancellation or hotel deposits.

## Live Symposium Registration Fees:

\$100 - Physicians

- \$75 Physician Assistants/Nurse Practitioners/Nurses/Pharmacists
- \$25 Residents/Fellows/Medical Students

Residents/Fellows/Medical Students will receive registration fee refund when symposium attendance is verified. Please pay with credit card to assure an expeditious refund.

## Virtual Symposium Registration Fees:

- \$50 Physicians
- \$40 Physician Assistants/Nurse Practitioners/Nurses/Pharmacists
- \$20 Residents/Fellow/Medical Students

## **ADDITIONAL INFORMATION**

Please contact Milini Mingo, 404-727-3612; **milini.mingo@emory.edu** or the Emory CME Office, 404-727-5695 with any questions.

# Agenda saturday, March 7, 2020

- **BREAKFAST AND REGISTRATION** 7:00 – 8:00a
- 8:00 8:15 WELCOME AND HOUSEKEEPING
- 8:15 9:00 **CUTANEOUS SQUAMOUS CELL CARCINOMA STAGING AND HOW THAT HELPS US MANAGE HIGH RISK PATIENTS**

Chrysalyne D Schmults, MD

- 9:00 9:45DERMATOLOGIC TOXICITY OF TARGETED AND **IMMUNE THERAPY FOR MELANOMA** Mario Lacouture, MD
- 9:45 10:00 BREAK
- 10:00 10:45 APPROACH TO MELANOMA LYMPH NODES AND **MOLECULAR PROGNOSTIC TESTING** Kelly M. McMasters, MD, PhD
- 10:45 11:30 APPROACH TO MELANOMA CNS METASTASES Kim Margolin, MD
- 11:30 12:00p **Q&A FOR MORNING SESSIONS**
- 12:00 LUNCH

## **FOCUS GROUPS 12:30-2:00**

## **GROUP** A

- **F**urther discussion of management of non-melanoma skin cancers
- Management of ambiguous lesions
- Mohs micrographic surgery
- Indications for sentinel node biopsy
- Role of dermatologists in follow up of patients on treatment

## **GROUP B**

- Management of resectable locoregional skin cancers including adjuvant and neoadjuvant treatment
- Management of resectable metastatic disease, including discussions about definitions of resectability, adjuvant and neoadjuvant treatment, role of radiation therapy with or without immunotherapy

## **GROUP** C

- Sequencing of treatment for metastatic cutaneous malignancies, with emphasis on melanoma
- Treatment of refractory disease, including definitions of primary refractory, development of refractory disease while on treatment and relapse after a period off treatment
- Management of noncutaneous toxicities of treatment

#### WRAP-UP 2:00 - 3:00

3:00 **ADJOURN** 

## **COURSE DIRECTOR**

David H. Lawson, MD Professor, Department of Hematology and Medical Oncology Winship Cancer Institute of Emory University School of Medicine

## **EMORY UNIVERSITY** WINSHIP CANCER INSTITUTE FACULTY

Suephy C. Chen, MD, MS Professor, Department of Dermatology Vice Chair, Department of Dermatology Director of Dermatology Center for Outcomes Research and Safety (DCORS) Unit, Emory University Director of Emory Cutaneous Melanoma and Pigmented Lesion Center, Department of Dermatology Director of TeleDermatology Service, Emory University Director of TeleDermatology Service and Dermatology Mini-Residency, Atlanta VA Medical Center Staff Physician and Assistant Chief of Service, Division of Dermatology, Atlanta VA Medical Center

## Travis W. Blalock, MD

Associate Professor Department of Dermatology Director, Dermatologic Surgery, Mohs Micrographic Surgery and Cutaneous Oncology Department of Dermatology Director, Micrographic Surgery and Dermatologic Oncology Fellowship Department of Dermatology Staff Physician, Division of Dermatology, Atlanta VA Medical Center

#### Keith Delman, MD

Professor of Surgery, Division of Surgical Oncology, Department of Surgery, Emory University School of Medicine Associate Chairman, Clinical and Faculty Affairs, Department of Surgery, Emory University School of Medicine Carlos Professor of Surgical Anatomy and Technique, Department of Surgery, Emory University School of Medicine Director, Carlos and Davis Center for Surgical Anatomy and Technique, Department of Surgery, Emory University School of Medicine Program Director, General Surgery Residency Program, Department of Surgery, Emory University School of Medicine

#### Mohammad K. Khan MD, PhD, DABR

Associate Professor, Department of Hematology and Medical Oncology, Emory University School of Medicine

#### Ragini Kudchadkar, MD

Associate Professor, Department of Hematology and Medical Oncology, Emory University School of Medicine

#### Michael Lowe, MD

Assistant Professor, Division of Surgical Oncology, Department of Surgery, Emory University School of Medicine

#### Douglas C. Parker, MD

Associate Professor, Department of Pathology & Laboratory Medicine, Emory University School of Medicine

#### Benjamin K. Stoff, MD, MA

Associate Professor, Department of Dermatology Associate Professor, Department of Pathology and Laboratory Medicine Senior Faculty Fellow, Emory Center of the Ethics Staff Physician, Teledermatology, Atlanta VA Medical Center

Howa Yeung, MD Assistant Professor, Department of Dermatology

Melinda L. Yushak, MD, MPH Assistant Professor, Department of Hematology and Medical Oncology, Emory University School of Medicine

## **INVITED FACULTY**

Mario Lacouture, MD Dermatologist, Memorial Sloan Kettering Cancer Center Director, Oncodermatology Program

Kelly M. McMasters, MD, PhD Ben A. Reid, Sr., M.D. Professor and Chairman, Department of Surgery, University of Louisville Director, Multidisciplinary Melanoma Clinic Associate Director, J. Graham Brown Cancer Center

#### Kim Margolin, MD

Clinical Professor, Department of Medical Oncology & Therapeutics Research Medical Oncologist City of Hope

## Chrysalyne D. Schmults, MD Physician, Brigham and Women's Hospital

Vice Chair, Surgical Oncology, Department of Dermatology Director, Mohs and Dermatologic Surgery Center Program Director, Micrographic Surgery and Dermatologic Oncology Fellowship Program Associate Professor, Harvard Medical School - Dermatology

# Registration

## Winship Melanoma & Cutaneous **Oncology Symposium**

## SATURDAY, MARCH 7, 2020

Emory University Health Sciences Research Building 1760 Haygood Drive NE Atlanta, GA 30322

## Register Online @ www.emory.edu/CME

## Live Symposium Registration Fees:

□ \$100 - Physicians □ \$75 - Physician Assistants/Nurse Practitioners/Nurses/Pharmacists □ \$25 - Residents/Fellows/Medical Students

## Virtual Symposium Registration Fees:

□ \$50 - Physicians □ \$40 - Physician Assistants/Nurse Practitioners/Nurses/Pharmacists □ \$20 - Residents/Fellow/Medical Students

## Total Payments \$

## Make check(s) payable to: **Emory University School of Medicine**

Detach and mail to the address below:
