

3rd Edition of European Conference on

Otolaryngology, ENT Conference

June 10-11, 2020
Frankfurt, Germany

Theme:

To Emphasize the modernity of ENT Technologies

Invitation

Euroscicon is proud to host the **3rd Edition of European Conference on Otolaryngology, ENT Conference happening during June 10-11, 2020 in Frankfurt, Germany.** The conference is themed around “**To Emphasize the modernity of ENT Technologies**” with the aim to bring together a wide audience of industry, healthcare, research, and medical practitioners to educate and bring about a fruitful debate on the confined topics.

European Conference On Otolaryngology, ENT Conference will be a great event to network, learn and engage with professionals in the field of ENT Conference and Medicine.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas.

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

June 10-11, 2020
Frankfurt, Germany

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref
Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manuscripts in our Open Access Journals

With over 25000+ Adolescent Medicine Specialists and ENT Conference Care Professionals accessing the website, ENT Conference 2020 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

ENT Conference 2020 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives

Nurture connexions

Agenda format which incorporates ample Q&A tim

Partake in our revamped exhibitor expo sessions

Meet and listen to the relevant clients

Unprecedented growth creating an unparalleled market place

June 10-11, 2020
Frankfurt, Germany

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience

It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries

Over 25 Million+ Visitors and 20000+ Unique Visitors per conference

World's leading industries and companies attend

Career guidance for early career researchers and students

Provides insights you need to take your research to the next level

A huge conclave of high tech and science priests

Who'd be attending?

3rd Edition of European Conference on Otolaryngology, ENT Conference plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently business analysts, medical representatives and healthcare providers.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Otolology
- Pediatric ent
- Otolaryngology
- Septoplasty
- Tonsillectomy
- Sinus Surgery
- Tonsillitis
- Otitis Media
- Myringotomy
- Ear Disorders
- Epiglottitis
- Salivary Gland Pathology
- Laryngitis
- Tympanoplasty
- Laryngology
- Anesthesia In Ear, Nose and Throat Surgery
- Obstructive Sleep Apnea (OSA)
- Rhinology and Allergy
- Rhinitis
- Tinnitus

See your work **PUBLISHED**
in one of our related journals

- Research Journal of Ear Nose and Throat

June 10-11, 2020
Frankfurt, Germany

About Destination Frankfurt

Frankfurt, a central German city on the river Main, is a major financial hub that's home to the European Central Bank. It's the birthplace of famed writer Johann Wolfgang von Goethe, whose former home is now the Goethe House Museum. Like much of the city, it was damaged during World War II and later rebuilt. The reconstructed Altstadt (Old Town) is the site of Römerberg, a square that hosts an annual Christmas market.

Frankfurt was a city state, the Free City of Frankfurt, for nearly five centuries, and was one of the most important cities of the Holy Roman Empire, as a site of imperial coronations; it lost its sovereignty upon the collapse of the empire in 1806 and then permanently in 1866, when it was annexed by the Kingdom of Prussia. It has been part of the federal state of Hesse since 1945. A quarter of the population are foreign nationals, including many expatriates.

Frankfurt is an alpha world city and a global hub for commerce, culture, education, tourism and transportation.
