

About Conference

Neurology Conferences regards each one of the individuals to give their valuable presence at the “International Conference on Neurologists” programmed to be held on September 18-19, 2020 as a webinar

participants across the globe to attend and share their visions and convey current developments in the field of Neuroscience, Neurology Public Mental health and other Neurological disorders.

The conference will be organized around the theme “Channelizing the novel ideas for treating Neurological Disorders”.

Neurologists Meet 2020 aims to promote continuous medical education and encourage a nourishing exchange of facts and ideas in how to deal with the neurological disorders involving kids and infants.

International Conference on **Neurologists**

September 18-19, 2020 | Webinar

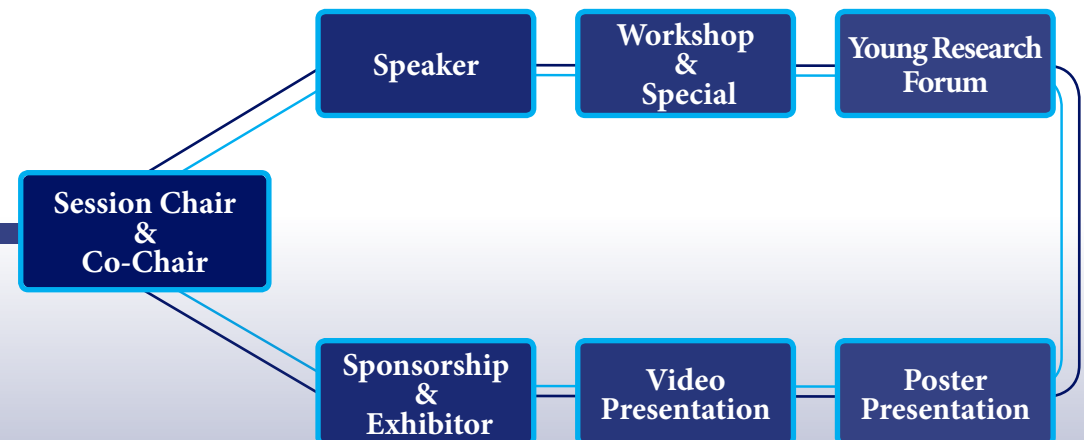

Event at a Glance

Day 01 September 18, 2020	Day 02 September 19, 2020
Session	Session
Registrations	Keynote Forum
Opening Ceremony	Session 1
Keynote Forum	Neurodegenerative Disorders
Group Photo	Neuroimmunology and Neurological Infections
Session 1	Neuroinfections and Neuroimmunology
Alzheimer's and Parkinson's Diseases	Session 2
Biology of Aging and Neurogenesis	Neuroinformatics and Computational Neuroscience
Brain Injury and Behavioural neuroscience	Neurological Nursing
Session 2	Neuropharmacology and Neurochemistry
Clinical Neurophysiology and Stroke	Neurophysiology, Neuroimaging and Radiology
CNS Injury, Repair and Inhibition, Excitation	Neuropsychology and Addiction
Cognitive Neuroscience and Psychology	Neuroscience and Artificial Intelligence
Geriatric Psychiatry and Neurology	Young Research Forum
Neurodegenerative Diseases and Stress	Poster Presentation
Young Research Forum	Panel Discussion
Panel Discussion	Award Ceremony

Available Opportunities

This two days event is filled with the scientists, professionals from all around the globe. We request interested people to write us regarding the participation for this esteemed event.

Webinar

Who Attends

- Neurologists and Directors
- Psychiatrists
- Neurosurgeons
- Physicians
- Neuroscientists
- Researchers
- Health care professionals
- Professors
- Industrial Experts
- Nutritional Scientists
- Lecturers and Students from Academia
- Students from Academia in the research of Neurology

Conference Sessions

- Alzheimer's and Parkinson's Diseases
- Biology of Aging and Neurogenesis
- Brain Injury and Behavioural neuroscience
- Clinical Neurophysiology and Stroke
- CNS Injury, Repair and Inhibition, Excitation
- Cognitive Neuroscience and Psychology
- Geriatric Psychiatry and Neurology
- Neurodegenerative Diseases and Stress
- Neurodegenerative Disorders
- Neuroimmunology and Neurological Infections
- Neuroinfections and Neuroimmunology
- Neuroinformatics and Computational Neuroscience
- Neurological Nursing
- Neuropharmacology and Neurochemistry
- Neurophysiology, Neuroimaging and Radiology
- Neuropsychology and Addiction
- Neuroscience and Artificial Intelligence

REMINISCENCE OF 2020

Be a Part and join us in Webinar to stimulate new techniques for treatment of neurological disorders and stroke that would be beneficial for the neurosurgery
