## CME HEARTCARE, HYPERTENSION AND HEALTHCARE CONGRESS / WEBINAR

CME accredited Plenareno Heartcare, Hypertension and Healthcare Congress / Webinar program, presented by distinguished speakers, will focus on the daily management of heart arrhythmia, including interactive workshops and plenary sessions, chaired poster presentations and oral sessions. It provides an excellent opportunity for students, internists and young scientists with comparable levels of experience to represent their ideas, explore cutting-edge research and network with the next generation of cardiologists and researchers. Gain advanced knowledge, expanding your insight and exposure to the newest ideas through a multitude of presentations.

All the participants will have the chance to benefit from scientific exchanges during either formal activities or informal meetings with experts and investigators from different areas focused on cardio-care and emerging technologies for heart diseases.
