

Microbiology Conferences

ConferenceSeries LLC LTD Organizes 3000+ Global Events Every year across USA, Europe & Asia with support from 1000 more scientific societies and Publishes 1000+ Open access journals which contains over 100000 eminent personalities, reputed scientists as editorial board and organizing committee members.

Microbiology conferences host presentations from experts across the world in the field of microbiology and create awareness, understanding of the work done by the scientists and professors working in fields of microbiology like virology deals with research on viruses, etc.

London, UK

15th International Virology Summit

July 03-04, 2023 | London, UK

Welcome Message

15th International Virology Summit scheduled on July 03-04, 2023 at London, UK. It is the world's leading conference for healthcare professionals to gather and contribute their research for the research work in the virology field. The significance and note worthiness can be measured by the way that it has made immense headways through the span of time and is proceeding to impact different parts of research.

Euro Virology 2023 Conference invites connoisseurs from all pre-eminent universities, research institutions, microbiologists, virologists and diagnostic companies to share their research papers on all aspects of this rapidly augmenting field and emblazoning recent advancements and technologies being currently used for further research on viruses.

Market Analysis

The global virology market report is estimated to be valued at \$5.77 billion in 2022 and is projected to reach \$6.76 billion by 2026, recording a CAGR of 4.0%. On the basis of diagnosis tests, coronavirus, hepatitis B, Hepatitis C, etc are estimated to hold the largest market share globally during forecast period. For more information about Virology Conferences market is available at Euro Virology 2023.

"Virology Research and Innovation"

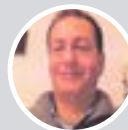

Sessions/Tracks

- Coronavirus (COVID-19)
- General Virology
- Molecular and Cellular Virology
- Animal Virology
- Clinical and Diagnostic Virology
- Viral Immunology
- Anti-Retroviral Therapy
- Pediatric Viral Infectious Diseases
- Antiviral Drug Discovery and Development
- Viral Vaccines
- Plant and Agricultural Virology
- Viral Oncology
- STD & HIV/ AIDS and Emerging Viral Diseases

Organizing Committee

Alfredo Berzal-Herranz
Institute of Parasitology and Biomedicine López - Neyra, Spain

Filippo de Nicoletti
Fiumcello, Friuli Venezia Giulia, Italy

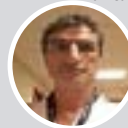

Vsevolod A Zinserling
Saint-Petersburg University, Russia

Haitham Mohamed
M. Mahmoud Amer
Cairo University, Egypt

Michael Bukrinsky
The George Washington University, USA

Marco Ciotti
Laboratory of Molecular Virology
Polyclinic Tor Vergata, Italy

Supporting Journals

Journal of AIDS & Clinical Research
ISSN: 2155-6113 | Volume 14

Journal of Virology & Antiviral Research
ISSN: 2324-8955 | Volume 12

Medical Microbiology & Diagnosis
ISSN: 2161-0703 | Volume 12
