# INVITATION

## NEUROSCIENCE 2024

Neuroscience 2024 intends to host all the well-known Neurosurgeons, Researchers, Neurologists, Psychologists, Medical Professionals, Fellowship holders, Societies, Industrial CEO's, and Healthcare professionals related to the field of Neuroscience and Neurology. The conference with the theme "Advancements and Breakthroughs in Neuroscience and Neurology", London, UK which implies that Neuroscience 2024 will be a venue for exploring the advances in the field of Neurology. In this gathering, the major advancements, techniques and current research in neurology and neuroscience will be discussed and the outcomes of the procedures are to be shared. This conference will serve a unique opportunity for the delegates of Medical Universities and Neurological companies as it allows people to interact with industry leading Neuroscientists researchers and Business persons.

The amazing line-up of keynote speakers, plenary speakers, and other attendees at Neuroscience 2024 will allow researchers from all over the world to share their findings with world authorities over three days. Meet speakers, delegates, and neurology professionals to refresh and enhance your thoughts on current therapeutic approaches. Register soon and avail Exciting Early bird discounts.

Regards

Christina Grace | Neuroscience 2024

Program Co-Ordinator

### ORGANIZING COMMITTEE

**Dr Alireza Heidari, Professor**  
California South University (CSU)  
California, USA

**Dr Joel Osorio**  
Biotechnology and Regenerative  
Medicine at RegenerAge, Mexico

**Dr Dario Furnari**  
St Magnus Hospital, UK

**Dr Ian James Martins**  
Sarich Neuroscience Research  
Institute, Australia

**Dr Santiago Restrepo Garizabal**  
Universidad de Barcelona, Spain

**Mohamed A. Fahmy Zeid**  
Egyptian Society of Brain & Skull  
Egypt

**Koji Abe**  
Okayama University, Japan

## NEUROSCIENCE 2024 OUTLOOK

- Latest evidence-based knowledge in Neuroscience
- Audience participation in case-based discussions utilizing interactive case-based approaches
- Workshop hands-on experience opportunity
- Young researchers forum
- Networking opportunities
- Abstract Session

## CONFERENCE OPPORTUNITIES

### For Researchers and Faculty Members

Speaker Presentations | Poster Display | Symposium hosting (4-5-member team) | Workshop organizing

### For Universities, Associations & Societies:

Association Partnering | Collaboration proposals | Academic Partnering | Group Participation

### For Universities, Associations & Societies:

Association Partnering | Collaboration proposals | Academic Partnering | Group Participation

### For Students and Research Scholars:

Poster Competition (Winner will get Best Poster Award) | Young Researcher Forum (YRF Award to the best presenter) | Student Attendee | Group Registrations

### For Business Delegates:

Speaker opportunity | Symposium hosting | Book Launch event | Networking opportunities | Delegate participation

# CALL FOR ABSTRACTS

## Prepare and present your latest research at the 2024 meeting

Submissions of abstracts are encouraged for Neuroscience 2024. On all fronts of Neuroscience fields, we are aiming for excellent basic scientific, translational, or in the field of Engineering.

## Your research on the world's prime networking stage

Join a Neuroscience Conference 2024. We will commemorate 5 years since the first Neuroscience Conference this year. What better way to mark this significant occasion than to present your abstract, Engineering case, or late-breaking research both locally in London and globally online? By doing this, regardless of where you are in the world, you will guarantee that your efforts are acknowledged on a global scale.

You can still participate in the scientific program. Do it now!

A mark of excellence is having your science accepted to Neuroscience 2024.

Gain from unparalleled exposure.

Your innovative abstracts, late-breaking research, and Engineering cases won't have high impact or be read as extensively elsewhere.

To avoid missing out, get ready to submit your research at the Neuroscience 2024 scientific program.

## SCIENTIFIC TOPICS

- Neuroscience
- Neurology
- Neurological Disorders and Neurodegenerative Diseases
- Psychiatry and Psychiatric Disorders
- Depression and Anxiety Disorders
- Neurosurgery
- Neurooncology
- Neuropharmacology
- Neuroendocrinology
- Neuroimaging and Pathology
- Neuroimmunology
- Clinical Neurology
- Neurological Nursing
- Pediatric Neurology
- Behavioural Neurology
- Neuromuscular Disorders
- Neurogenesis
- Neuroplasticity
- Neurochemistry and Neuroscience
- Neurological Complications of COVID\_19
- Neural Circuits and Neural feedback
- Neuro-Treatment Methods
- Case Studies and Ethical issues
- Clinical trials, Case Studies and Recent Researches

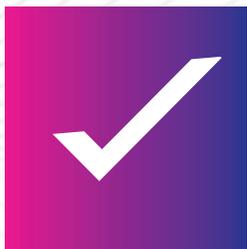

## ABOUT VENUE

Dubai is one of the seven emirates that make up the United Arab Emirates (UAE) and is known for its modern architecture, luxury shopping, vibrant nightlife, and a wide range of entertainment options. It is situated on the southeastern coast of the Arabian Peninsula and is a popular destination for tourists from all over the world.

Unveil the allure of Dubai at Neuroscience 2024– the epitome of conference excellence! With cutting-edge facilities and a strategic global position, it beckons as the ideal event destination. Embrace the enchanting culture, from traditional souks to iconic skyscrapers. Attendees can revel in luxury hotels while relishing the safety and warmth of this multilingual city. Dubai's business-friendly ecosystem is a magnet for professionals and industry leaders. Elevate your conference to unparalleled heights, creating cherished memories in this dazzling oasis of innovation and hospitality. Choose Dubai – where dreams transform into remarkable realities!

# TERMS AND CONDITIONS

## Accompany Partners' Policy:

We respectfully remind you that partners accompanying delegates/speakers are not eligible to attend conference sessions and do not qualify for refreshments and lunches during the day unless they have registered.

Any partner wishing to attend events not previously selected and paid for in his or her registration may do so at the conference Registration desk.

We would be pleased to accommodate any requests where possible.

## Registration and Accommodation

### Policy:

Registration and accommodation changes will not be accepted unless made in writing. Changes made within 14 days of the event may incur costs due to specific hotel and venue policies

### Cancellation Policy:

Registration cancellations will not be accepted unless made in writing.

Cancellations request made before 15<sup>th</sup> Feb, 2024 will be refunded less 25% of the conference Registration

fee, to cover administration costs.

No registration refunds will be processed after this date; however, substitute delegates are welcome.

### Letter of Invitation

You can request a letter of invitation from the conference management, and they will provide you. The administration would like to be clear that the purpose of the invitation letter is to assist the participant in securing travel financing and the necessary paperwork for a visa. Conference owes the participant nothing else in terms of money. The Conference Secretariat won't be able to send you an invitation letter until they have received your registration and fee payment.

### Liability

Upon registration, participants agree that neither the organizing committee nor the conference secretariat will be held accountable. Therefore, it is the participants' responsibility to make their own travel and health insurance arrangements.

## SUBMISSION REQUIREMENTS AND GUIDELINES

- Each and every abstract must be submitted only through the conference website
- Please select the Oral, Poster, or Young Researchers Forum abstract category when submitting your abstract
- Authors should make sure that the submitted abstracts are accurate
- Any typographical errors in the written word or in scientific data shall be published
- You are in charge of making sure that each co-author has given their consent to be listed on the abstract
- Oral presenters who are accepted will speak during the designated session
- Each abstract should start with the presenting author's first name
- The abstract must not exceed 300 words
- Mention the name of the institution where the work was completed
- Abstract's structure; Statement of the Problem, Objective, Methodology, Results, and Conclusion. For case reports: Statement of the Problem, case summary, and conclusions
- Choose the subject from the supplied list
- An acknowledgement email will be sent upon the submission of your abstract
- The notification of abstract status will be sent after 5-7 days of the abstract submission
- If the abstract doesn't meet the standard requirements, the scientific committee of Neuroscience 2024 has the right to accept or reject any abstracts without providing a reason

# REGISTRATION PRICES

## ACADEMIC

€699

SPEAKER REGISTRATION

€599

DELEGATE

€799

POSTER

## BUSINESS
