WELCOME MESSAGE

You Are
Invited

It is with great pleasure and enthusiasm that we extend a warm welcome to all esteemed participants, healthcare professionals, researchers, and academicians to the **2nd Global Congress on Pediatric Physiotherapy and Rehabilitation Medicine**, scheduled to take place from **April 18-19, 2024**, in the vibrant city of **Dubai, UAE**.

Under the theme of "Transforming physical therapy through cutting-edge technology, innovative practices and collaborations" this prestigious congress aims to bring together a diverse community of experts and practitioners in the field of pediatric physiotherapy and rehabilitation medicine. Our goal is to facilitate insightful discussions, exchange cutting-edge research findings, and foster collaborations that will contribute to the advancement of pediatric care globally.

Over the course of two enriching days, the Pediatric Physiotherapy 2024 will feature an array of keynote lectures, interactive workshops, scientific presentations, and networking opportunities. Renowned speakers from around the world will share their expertise and insights, offering attendees a comprehensive understanding of the latest developments in pediatric physiotherapy and rehabilitation medicine.

We are confident that Pediatric Physiotherapy 2024 will be a valuable opportunity for professionals, researchers, and practitioners to connect, exchange ideas and advance their knowledge.

Dubai, with its remarkable blend of modernity and tradition, serves as an ideal backdrop for this intellectually stimulating event. Attendees will not only engage in high-level academic discourse but also have the chance to explore the city's iconic landmarks and cultural treasures.

We look forward to a vibrant and engaging congress and are excited to welcome you to Dubai, UAE.

Warm regards,
The Congress Committee
Pediatric Physiotherapy 2024

WHY ATTEND?

The 2nd Global Congress on Pediatric Physiotherapy and Rehabilitation Medicine is an unparalleled opportunity for professionals, researchers, and experts in the field of pediatric healthcare to engage in a transformative learning and networking experience. By participating in this esteemed event, you will gain:

Cutting-Edge Knowledge: Stay at the forefront of advancements in pediatric physiotherapy and rehabilitation medicine. Gain insights into the latest research, innovative treatment modalities, and evidence-based practices that are shaping the future of pediatric care.

Expert Perspectives: Interact with renowned thought leaders, clinicians, and researchers from around the world. Benefit from their expertise, experience, and diverse viewpoints to enhance your clinical skills and broaden your understanding of best practices.

Professional Growth: Elevate your professional development by attending informative keynote sessions, workshops, and panel discussions. Acquire practical skills, refine your diagnostic and treatment approaches, and explore strategies for optimizing patient outcomes.

Networking Opportunities: Connect with a global community of fellow professionals who share your passion for pediatric physiotherapy and rehabilitation medicine. Forge valuable collaborations, exchange ideas, and establish lasting relationships that can enrich your professional journey.

Multidisciplinary Insights: Gain a comprehensive understanding of pediatric care by engaging with professionals from various disciplines, including physiotherapy, rehabilitation medicine, pediatrics, neurology, orthopedics, and more. This interdisciplinary exchange of knowledge can lead to innovative solutions and holistic approaches to patient care.

Innovative Technologies: Explore the latest technological advancements and tools in the field of pediatric rehabilitation. Discover how emerging technologies are being integrated into clinical practice to enhance assessment, treatment, and monitoring of pediatric patients.

Global Perspective: Immerse yourself in a dynamic international environment, sharing experiences and insights with colleagues from different countries and cultures. Expand your worldview and consider new perspectives on addressing challenges in pediatric healthcare.

Cultural Experience: Immerse yourself in the vibrant culture of Dubai, a city known for its modern marvels and rich heritage. Explore iconic landmarks, experience diverse cuisine, and create lasting memories while attending a world-class conference.

Join us at the 2nd Global Congress on Pediatric Physiotherapy and Rehabilitation Medicine, taking place from April 18-19, 2024 in Dubai.

We invite researchers, practitioners, and experts in the field of physical therapy and rehabilitation medicine to submit abstracts exploring topics such as:

- Aquatic therapy
- Autism Spectrum Disorder
- Brain injuries
- Cardiopulmonary Conditions
- Cardiopulmonary Pediatric Physiotherapy
- Brain injury

WHY DUBAI?

The physical therapy market in the UAE has seen steady growth in recent years, driven by factors such as an increase in lifestyle-related injuries, an aging population, and a growing awareness of the benefits of physical therapy. According to a report, the PT market is expected to grow at a compound annual growth rate of 6.1% between 2020 and 2025, reaching a value of USD 293.14 million by 2025. The report also mentions that the private sector is the dominant provider of physiotherapy services in the UAE, with government initiatives aimed at improving healthcare infrastructure and promoting healthy lifestyles driving further growth.

Additionally, the growing availability of specialized treatments and technologies, such as robotic rehabilitation and virtual care, is expected to further boost demand for physical therapy services in the UAE. Overall, the physical therapy market in the UAE presents promising opportunities for PT practitioners and investors alike.

Dubai is a vibrant and modern city known for its stunning architecture, luxurious shopping, and cultural attractions. Here's a list of some of the top attractions you can explore while visiting Dubai:

- Burj Khalifa
- Burj Al Arab
- Dubai Mall
- Dubai Marina
- Dubai Creek
- Palm Jumeirah
- Jumeirah Beach
- Dubai Opera
- Dubai Miracle Garden
- Global Village and many more
