# Conference and Webinar Details

## About Conference

With a grand success of Primary Care 2024, We are pleased to announce the “**3rd International Conference on Primary Care and Public Healthcare**” scheduled for May 08-09, 2025, in Dubai, UAE. This year’s conference will focus on the theme “Transforming Public Health: Innovative Approaches in Primary Care and Preventative Medicine”.

Our goal is to bring together leading experts in Primary Healthcare and Health Services to share knowledge and innovations. This event is invaluable for doctors, professors, nursing students, and fellows, offering insights into the field. It also provides industries with opportunities to showcase products and engage with global scientists, expanding their business horizons.

We are confident that Primary Care 2025 will succeed tremendously, surpassing all expectations. We look forward to your participation in what promises to be a transformative and enlightening experience in the field of public health. ([click here for more](#))

## About Webinar

The 3rd International Webinar on Primary Care and Public Healthcare is organized by Scientex conferences from May 22-23, 2025 at Dubai time (GMT+4) to share advanced innovative research ideas in primary and public healthcare research with us through the Zoom platform

The webinar aims to address the comprehensive health needs of individuals throughout their lives, fostering collaboration among global experts. Participants will gain valuable insights, engage in meaningful discussions, and explore the latest developments in primary care and preventative medicine. Don’t miss this chance to connect with leading academics, healthcare professionals, and industry experts, expanding your knowledge and network in the field. ([click here for more](#))

# About Venue

**CITY SEASONS SUITES HOTEL,**  
8th Street, Deira District, Dubai, United Arab Emirates

City Season Suites Hotel is conveniently located close to Dubai International Airport in the heart of the city. Whether you're here for work or leisure you'll find access to Dubai's offerings. Positioned strategically on Sheikh Zayed Road, Dubai's retail center, City Season Suites Hotel is a perfect starting point, for both business travelers and tourists alike. With top notch shopping spots, the Dubai World Trade Centre, Dubai Mall, Dubai International Financial Centre, various consulates, and the Dubai Metro a stone's throw guests can effortlessly discover all that the city has to offer. The hotel has an executive floor and a private executive lounge that provide dining choices and beautifully designed rooms. Whether visiting for business or pleasure, the hotel's attentive service and top-notch facilities ensure guests maximize their Dubai experience.

## About Venue:

Dubai, a city, in the UAE that thrives around the clock is a fusion of various cultures and faiths. In this city traditional souks and mosques peacefully coexist alongside towering skyscrapers. From street markets to shopping centers Dubai offers a diverse shopping experience. Spanning 32,300 miles on the southeast end of the Arabian Peninsula the UAE is home to approximately 9.9 million people. As a tourist destination Dubai attracts a significant number of international visitors. The climate in the UAE is arid, with temperatures ranging from 14 to 45 degrees Celsius. Primary Care and Public Healthcare play roles in the country's healthcare system as efforts are made to enhance services and outcomes for its population through research and advancements. # Past Event Report

## About Past Event:

Scientex Conference successfully hosted its second series on the “**2nd International Conference on Primary Care and Public Healthcare**” at Grand Mercure Bangkok Atrium - 1880 New Petchburi Road, Bangkok Huay Kwang, 10310 Bangkok, Thailand from May 13-14, 2024 and “2nd International Webinar on Primary Care and Public Healthcare” from May 22-23, 2024 as per the time zone GMT+7. The conference was organized with a theme focused on “Enhancement of Innovative Advancements in Primary and Public Healthcare Discoveries” and it was a great success where eminent keynote speakers from various universities addressed the gathering. The generous response and active participation of the Organizing Committee Members played a major role in the success of Primary Care 2024. We extend our heartfelt gratitude to all the esteemed guests, Keynote Speakers, Poster Presenters, and Delegates for dedicating their time and sharing their valuable research within our peer network.

Primary Care 2024 Organizing Committee would like to thank everyone who attend the conference for making the sessions such a worthwhile experience. Also, we would like to thank the moderators of the conference, Michael Andrew Beckenstrater from University of Pretoria, South Africa and Tristan John B Guston from Notre Dame De Chartres Hospital, Philippines and the moderator of the Webinar Ashtar Kariem, MBBS Graduate, UAE who contributed a lot to the smooth functioning of this event.
