- Nanotechnology in Cosmetics & Skin Care
- Trichology
- Hair Loss
- Skin Cancer
- Immunodermatology
- Vitiligo
- Nappage Technique
- Pediatric Dermatology
- Nail Disorders
- Photodermatoses
- Dermatovenerology
- Cosmetic and Aesthetic Surgery
- Intellectual Property Rights (IPF)
- Teledermatology
- Plastic Reconstructive Surgery
- Green Cosmetology
- Dermatoepidemiology
- Investigations in Dermatology

## ABOUT US

Pulsus Group is an internationally renowned peer-review publisher in scientific, technical, and medical journals established in the year 1984 with offices in Ontario, Canada and Hyderabad, India has acquired Andrew John Publishing and openaccessjournals.com to expand its Open Access Publishing through its 50+ journals in association with 20+ International medical and scientific societies.

Pulsus through its cmesociety.com is been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international CME/CPD accredited conferences and meetings.

Pulsus Group is a Medical publisher that adheres to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. Pulsus Group takes pride in getting the endorsements of prestigious associations and societies like Canadian medical societies. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine. Pulsus group is closely associated with globally renowned academic and research societies like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancement de la Microchirurgie Canada, Canadian Society for Surgery of the Hand.

# MARKET ANALYSIS

Global CAGR (2024-2028): 27.8%, reaching USD 126.6 billion

Near-term CAGR (2024-2026): 19.2%

Key Drivers:

Increased government support | Rising R&D investment |

Growing demand for dermatological products | Regional Highlights:

Europe & Asia-Pacific: Key growth regions

UK: Market growth from USD 4.3 billion (2020) to USD 10.3 billion (2029), CAGR of 28.7%

London: Significant role with strong R&D support

Key Players: DBV Technologies, Bayer PLC

Regulation: Robust environment for nanomedicine, overseen by Sheffield Dermatology Research (SDR)

Market Segmentation:

Technology: Innovations in quantum dots and nanotransistors

Healthcare: New therapies, imaging agents, drug delivery systems

Energy: Cosmeceuticals and energy-efficient skincare

Materials & Coatings: Advanced products with vitamins and minerals

Regional Markets:

US: Largest market, growing from USD 66.8 billion (2020) to USD 225.2 billion (2029)

China: Expanding rapidly, from USD 4.3 billion (2020) to USD 12.9 billion (2028)

Europe: Market to reach USD 100.2 billion by 2029

Japan: From USD 11.6 billion (2020) to USD 32.8 billion (2028)

Germany: Growth driven by High-Tech Strategy 2025

India: From USD 11.2 billion (2020) to USD 14.6 billion (2028)

South Korea: Significant growth with Derma Development Plan support

Overall: The global dermatology market is poised for robust growth driven by increasing R&D, expanding healthcare needs, and advanced treatments.

## TARGET AUDIENCE

- Dermatologists
- Healthcare Professionals
- researchers and Academics
- Industry Professionals
- Policy Makers and Regulators
- Students and Trainees
- Students and Trainees
- Patient Advocates and Support Groups
- Media and Influencers
- Investors and Business Leaders
- General Public
- Associate Professors and Professors
- cosmetic surgeons
- Associate Professors and Professors

## WHO SHOULD ATTEND

- Researchers and Faculty members
- Business Delegates
- Medical college and Universities
- Product Manufacturers
- Physicians
- Professionals of Cosmetic Surgery
- Scientists
- Specialists in Cosmetology
- Pharmacists
- Pharmaceutical Companies
- Entrepreneurs
- Academic Professionals

## WHY TO ATTEND

- To show their most recent research works.
- To make more contacts with the other specialist and investigates to continue with the assessment work.
- To get data on the connected fields.
- An global gathering gives a typical stage to divide information between academicians and scientists from different nations.
- It also offers opportunities to the connected associations to share information about their latest things and besides gives a phase to notice of their associations, from this time forward growing their acclaim.
- All-hands conferences and Poster introductions by worldwide specialists
- Targets creating public mindfulness by talking about different progressions and difficulties in Aesthetic Medicine and Cosmetology

## WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.

An opportunity to build and reinforce strategic relationships within the office professional industry.

Time to network with industry colleagues and key decision makers.

A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.

Access to a broad network of industry partners from state and federal Government departments and the private sector.

Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.

Increased marketing opportunities including visibility on the conference website and associated marketing materials

## ABOUT VENUE

London, the vibrant capital of the United Kingdom, seamlessly weaves together its rich historical tapestry with contemporary flair, offering an extraordinary destination for travelers from around the globe. In March, as the city transitions from winter to spring, visitors are treated to a delightful transformation: the chill of winter gives way to milder, more temperate days, and London's parks and gardens, like Hyde Park and Kew Gardens, begin to bloom with the promise of new life.

### Iconic Landmarks and Modern Marvels

London's charm is in its dazzling contrast of ancient and modern. The historic Tower of London, with its medieval grandeur and the sparkling Crown Jewels, stands in striking contrast to the sleek modernity of The Shard and the Gherkin. This dynamic blend of old and new invites endless exploration and wonder.

### Neighborhoods to Discover

Every corner of London tells a different story. Dive into the creative pulse of Shoreditch, where street art and eclectic vibes define the artistic scene. For a culinary adventure, wander through Borough Market, a haven for food lovers offering an array of gourmet delights. A leisurely stroll along the Thames reveals iconic landmarks like the majestic Houses of Parliament and the iconic London Eye, each offering its own unique perspective on the city's skyline.

### Cultural Treasures

London is a treasure trove of cultural experiences. History enthusiasts will marvel at the British Museum's extensive collection, spanning millennia and continents. Art lovers can lose themselves in the masterpieces of Tate Modern and the National Gallery, where world-renowned art comes to life.

In March, London beckons with a blend of crisp spring air and the promise of vibrant days ahead, making it an ideal time to experience the city's rich heritage and modern vibrancy in one unforgettable visit.
