ABOUT Madrid, Spain

Geography: Spain boasts a varied landscape that includes mountains, plateaus, coastlines, and islands. The Pyrenees form its northern border with France, while the Mediterranean Sea, Atlantic Ocean, and Bay of Biscay surround its coasts. Spain also includes several archipelagos such as the Balearic Islands and the Canary Islands. **Culture:** Spain has a vibrant culture influenced by its long history, which includes periods of Roman, Moorish, and Christian rule. Flamenco music and dance, bullfighting, and traditional festivals like La Tomatina and Running of the Bulls are iconic elements of Spanish culture. Spain is also renowned for its cuisine, famous for dishes like paella, tapas, and gazpacho.

Language: Spanish, or Castilian, is the official language of Spain. Regional languages like Catalan, Galician, and Basque are also spoken in specific areas.

History: Spain has a rich and complex history, with significant periods such as the Roman Empire, the Islamic Caliphate of Cordoba, the Reconquista, and the era of Spanish exploration and colonization, which led to the establishment of a vast overseas empire. The Spanish Civil War in the 1930s had a profound impact on the country. **Politics:** Spain is a constitutional monarchy with a parliamentary system of government. The Spanish monarch has a largely ceremonial role, while the head of government is the Prime Minister. The country is divided into autonomous communities, each with its own level of selfgovernance.

Economy: Spain has a diverse economy, with key sectors including tourism, agriculture, manufacturing, and services.
