About us

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives.

Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges.

Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide.

We bring in eminent speakers with world-class expertise from various countries to enlighten our researchers and spark enthusiasm for research through our best conferences... [\(click here for more\)](#)

- Renowned speakers and scientists across the globe.
- Poster presentations and world class exhibits.
- Panel discussions and interactive sessions.
- B2B meetings.
- Perfect platform for Global Networking

Conference and Webinar Details

About Conference

With the great success of the Pediatrics Congress 2025, we are excited to welcome you to the “**International Conference on Pediatrics and Neonatal Care**”, taking place on **November 21-22, 2025**, in **Paris, France**. Join this exclusive forum to collaborate with over 50 pediatric and neonatal care experts and explore the latest breakthroughs in pediatric healthcare.

Pediatrics 2025 Mission:

Our mission is to deliver the highest quality education in pediatrics and neonatal care to practitioners, researchers, and learners of all levels.

Pediatrics 2025 Vision:

With the guidance of our esteemed international faculty, innovative programming, and... [\(click here for more\)](#)

About Webinar

The **International Webinar on Pediatrics and Neonatal Care** is hosted by Scientex Conferences and will take place on **November 27-28, 2025**, under the theme “Exploring New Horizons in Pediatrics and Neonatal Care.” This virtual event provides participants with the opportunity to earn an e-certificate of attendance while engaging with over 50 renowned experts in pediatrics and neonatology. Explore cutting-edge technological and clinical innovations that are transforming the landscape of pediatric and neonatal healthcare.

The webinar’s mission is to bring together prominent academics, researchers, and healthcare professionals from across the globe to share knowledge and experiences in addressing pediatric and neonatal health challenges. This collaborative platform is designed to inspire innovation, foster meaningful discussions, and drive advancements in care delivery to improve outcomes for children and newborns worldwide.

CONFERENCE HIGHLIGHTS

- Lectures by the active Investigators
- Keynote forums by Renowned Speakers
- Speaker Forum
- Poster Sessions on latest Innovation in all the relevant Areas
- Panel discussions and interactive sessions.
- Open Innovation Challenges
- Poster Sessions on every career stage
- Post-Doctoral Career Development Session
- Young Research Forum
- B2B Meetings
- Global Networking with 50+ Countries
- Novel techniques to benefit your research
- Best platform for Global business and Networking opportunities
- Excellent platform to showcase the latest products in Neuropsychiatry and affiliates

TARGET AUDIENCE

- Pediatricians
- Neonatologists
- Pediatric surgeons
- Neonatal intensive care unit (NICU) staff
- Medical educators and Medical students
- Public health professionals
- Pediatric medical equipment manufacturers
- Child psychologists
- Physical therapists specializing in pediatrics

Session Highlights

- **Innovations in Neonatal Surgery**
- **Pediatric and Neonatal Diseases and Disorders**
- **Pediatric Cardiology & Cardio Thoracic Surgery**
- **Regenerative Medicine in Pediatrics**
- **Pediatric Diabetes and Obesity Management**
- **Pediatric Otolaryngology**
- **Pediatric Orthopedics**
- **Perinatal and Neonatal Care**
- **Neonatal Growth and Nutrition Assessment**
- **Pediatric and Neonatal Ophthalmology**
- **Advances in Neonatal Intensive Care Units (NICU) Technology**
- **Pediatric and Neonatal Dermatology**
- **Pediatric Gastroenterology, Hepatology and Nutrition**
