Past Event Report

About Past Event:

4th Global Meeting on Diabetes and Endocrinology was successfully held during November 25-26, 2024 in Grand Mercure Bangkok Atrium Hotel (Bangkok, Thailand). The Diabetes 2024 gathered leading endocrinologists, diabetologists, researchers, healthcare professionals, and policymakers from around the world.

The event focused on innovations in diabetes management, recent research findings, treatment protocols, and future trends. The conference served as a platform for knowledge sharing, networking, and collaboration to tackle the growing diabetes burden worldwide.

The sessions highlighted new medications, insulin therapy advancements, and ongoing clinical trials focusing on improving glycemic control and reducing complications for both Type 1 and Type 2 diabetes.

The event was noted by Miliva Mozaffor from Bangladesh, Larisa Bugova from Russian Federation emphasizing the role of moderator.

Noteworthy Presentations

1. Hidekatsu Yanai, National Center for Global Health and Medicine Kohnodai Hospital, Japan
2. Malineat Ung, Cambodia Korea Diabetes Center (Preah Kossamak Hospital), Cambodia
3. Manash P Baruah, Apollo Excelcare Hospital, India
