# Welcome Message

**Dear Attendees,**

Welcome to the **6<sup>th</sup> Global Congress on Digital Health, Future Nursing & Patient Care**, scheduled to take place on **December 13-14, 2025** in the historic and vibrant city of **Jeddah, Saudi Arabia**. We are delighted to host an extraordinary gathering of healthcare leaders, innovators, researchers, and professionals from around the world, coming together with a shared vision to advance the fields of digital health, nursing, and patient-centered care.

Digital Health Jeddah will serve as a platform for thought-provoking discussions, insightful presentations, and hands-on workshops, designed to address both current challenges and future possibilities in healthcare. As digital health continues to reshape the medical landscape, from patient engagement tools to AI-driven diagnostics and remote care solutions, our discussions will highlight the cutting-edge technologies and strategies driving this transformation. Equally, we will explore the evolving role of nursing in delivering compassionate, tech-enabled patient care, reflecting on how healthcare providers can harness new tools to enhance patient outcomes and experiences.

Located in Jeddah—a city that uniquely blends tradition with modernity and serves as a gateway to Saudi Arabia's holy cities—this congress also provides an exceptional backdrop for networking and collaboration. As part of Saudi Arabia's Vision 2030 initiative, Jeddah is rapidly advancing in healthcare infrastructure and innovation, making it the ideal location for an international dialogue on the future of healthcare.

We warmly invite you to immerse yourself in this dynamic exchange of knowledge, explore new partnerships, and take part in shaping the future of healthcare. Thank you for joining us on this journey towards a healthier, more connected world. Welcome to Jeddah, and welcome to a congress dedicated to pioneering change and fostering collaboration in healthcare!

Looking forward to welcome you in Jeddah, Kingdom of Saudi Arabia!

Best Regards,  
Amy Williams
