Past Event Report

About Past Event:

Scientex Conferences proudly announces the successful conclusion of the International Conference on Gynecology, Obstetrics and Infertility, held from May 05–06, 2025, at the vibrant city of Dubai, UAE. Under the theme “Innovative Strategies and Advancement in Gynecology and Obstetrics,” the conference brought together a dynamic community of leading experts, clinicians, academic researchers, and healthcare professionals from around the world.

This global platform served as a hub for exchanging groundbreaking ideas, presenting cutting-edge research, and fostering collaborative partnerships aimed at improving women’s health across borders. The scientific agenda was rich and diverse, featuring engaging keynote lectures, high-quality poster presentations, and interactive panel discussions that delved into critical topics in gynecology, obstetrics, reproductive medicine, and infertility care.

The success of the event was made possible through the outstanding leadership and coordination of our Moderator, Tasneem Gadiwala from Gulf Medical University, UAE, and the esteemed Program Chairs — Dr. Uliana Dorofeyeva of Danylo Halytsky Lviv National Medical University, Ukraine, Dr. Paula Granja from Hospital da Luz, Portugal, and Dr. Nguyen Van Khanh of Quang Ninh Women’s and Children’s Hospital, Vietnam — whose guidance ensured a high standard of academic excellence throughout the conference.
