# About us

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives.

Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges.

Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide.

We bring in eminent speakers with world-class expertise from various countries to enlighten our researchers and spark enthusiasm for research through our best conferences... [\(click here for more\)](#)

- Renowned speakers and scientists across the globe.

# About Venue

**Kuala Lumpur**, the vibrant capital of **Malaysia**, stands as a premier destination for international conferences seamlessly blending rich cultural heritage with modern innovation. As a dynamic hub of economic, technological, and medical advancement, the city offers the perfect backdrop for the **4th International Conference on Dermatology and Cosmetology**. Renowned for its multicultural identity, Kuala Lumpur reflects a harmonious fusion of Malay, Chinese, Indian, and Indigenous traditions evident in its art, architecture, and cuisine. From the iconic Petronas Twin Towers to the spiritual serenity of the Batu Caves, the city embodies both tradition and transformation, mirroring the evolution of modern dermatology and aesthetic medicine.

**Dermatology** plays a pivotal role in Malaysia's healthcare vision, with Kuala Lumpur at the forefront of research, medical tourism, and dermatological innovation. Its reputation as a regional leader in skincare, aesthetics, and cosmetic science makes it the ideal host city for exploring groundbreaking approaches in the field. Beyond the conference, delegates can enjoy lush urban retreats like the KL Forest Eco Park, explore vibrant night markets, and experience Malaysia's world-class hospitality. With excellent infrastructure, efficient transport systems, and broad international connectivity, Kuala Lumpur ensures a seamless... [\(click here for more\)](#)

# Past Event Report

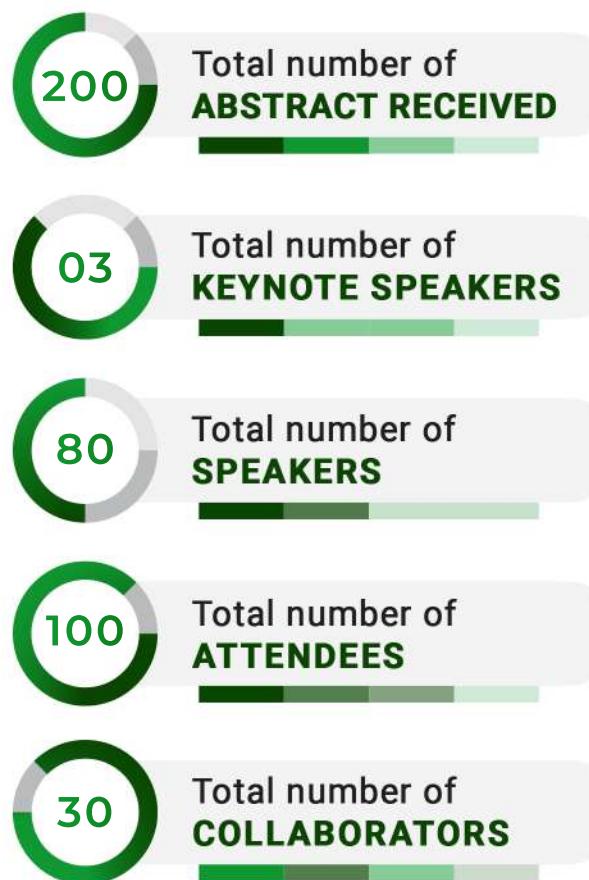

## About Past Event:

Scientex Conference successfully hosted its second series on **“3rd International Conference on Dermatology and Cosmetology”** at City Seasons Dubai Hotel Dubai, UAE from May 12 - 13, 2025. The conference was organized with a theme of “Progressing Dermatology and Cosmetology to Transform Skin Care” and it was a great success where eminent keynote speakers from various universities addressed the gathering.

The generous response and active participation of the Organizing Committee Members played a major role in the success of Dermatology 2025. On another hand, we take the opportunity to thank all the speakers, delegates, and participants for providing their valuable support and time for the conference. The Dermatology 2025 Organizing Committee would like to thank all the participants who contributed a lot to the smooth functioning of this event.

The Dermatology 2025 Organizing Committee would like to thank everyone who attended the conference for making the sessions such a worthwhile experience. Also, we would like to thank the moderators of the conference, Ashtar Kariem, Trainee Physician, SGH, UAE, and Pendekanti Venkata Sai Gireesh, Dr NTR University of Health Sciences, India who contributed a lot to the smooth functioning of this event.

# Testimonials

## Feedback

### Yuliya Kudrevich

Russian Federation

My name is Dr. Yuliya Kudrevich, I'm from Russia, and I'm taking part in this conference for the third time. Every time I admire the organization of this conference, because the organization at the highest level, very interesting and useful reports are presented... ([click here for more](#))

### Karin-vira Annop-narong

Thailand

I am proud with this event, because event is more scientific and focuses on every speaker's major expertise. The scientific research helps the people not just with beauty, not just something merchandise, but it helps with patients to look... ([click here for more](#))

### Lew Kar Min

Malaysia

This is my first time attending Scientex Conference here in Bangkok. It was well organized in a very nice hotel with a lot of food that is provided. We have a lot of specialty coming from all over the world like us, and also Indonesia from Canada... ([click here for more](#))

### Osama Mohammed Alsharif

KSA

Thank you very much indeed for the scientific committee to invite me to this one distinguished conference in Dubai. This is the third international conference of dermatology and like previous one this is also highly organized. And there is the diversity.... ([click here for more](#))

### Nalini Kaul

Canada

This was a wonderful conference where we learned a lot. From cancer to aesthetics, to dental things, to cosmetics, it was well received by the audience. We need more things like this, you know, for learning, which gives the young ones an opportunity... ([click here for more](#))

### Pasid Harlisa

Indonesia

I have a presentation about ethyl acetate cream for lightening and brightening case. And the participants here are all inspiring, and we absolutely could learn from them all. Thank you.

### Athanasia Varvaresou

Greece

My name is Athanasia Varvaresou. I am professor of the University of West Attica. I would like to thank the organizing committee for the excellent organization. All the lectures and the presentations were very interesting. I will be glad to attend a similar event next year. Thank you.

### Bruno Bastos

Brazil

I'm Dr. Bruno Basso. I have to thank all the organizers. I'm from Brazil. And I'm very happy to be here in Dubai with the Scientex conference. It was an amazing event. I talked with my technique, the inverted F, a collagen biostimulator technique... ([click here for more](#))

### Bandar D Alrehaili

KSA

This is Bandar D Alrehaili, assistant professor, Pharmacy College, Taibah University. It is a great conference and I really learned a lot from this conference. I would like to thank all the committees and thank you for having me in this conference... ([click here for more](#))

### Mundu Allan Abdull Latif

Uganda

I'm happy for this conference. I presented well. I'm the only dermatologist who came from Africa, Uganda. I presented about autoimmune disease called Epidermolysis bulosa. I urge you African dermatologists to seriously come... ([click here for more](#))
