About us

Scientex Conferences provide a global platform for exchanging ideas and keeps on updating about the latest innovations in different Subjects. Opportunity to attend the presentations delivered by eminent Scientists from all over the world. Global networking: In transferring and exchanging Ideas. A Unique Opportunity for Advertisers and Sponsors at this International event. We present you team of dedicated minds driven by the thought of gathering together the people of alike objected to an exclusive platform. Science brings forward the art of molding the experience and the experiments into a reality. These assembling realities, eventually, give birth to the various fields all together comprise a world get known as science, technology, and advancement. Scientific Meet Icon conference acts a dais where people from various parts of the world come together and discuss topics, ranging from physics to medicine, ever beneficial to an advancement of the human civilization. Alongside, the news and views get exchanged among the personnel across the globe. Scientific Meet Icon strives toward evolving a resource of information, unprecedented problems as well as their solutions such that it enhances the very core of the scientific community thus adding values to human society. Come. Join us! View the substantial minds talk their cut- through researches at the Scientific Meet Icon conferences. Well organized scientific program. [\(click here for more\)](#)

- Renowned speakers and scientists across the globe.
- Poster presentations and world class exhibits.
- Panel discussions and interactive sessions.
- B2B meetings.
- Perfect platform for Global Networking

Conference and Webinar Details

About Conference

Scientex Conferences pleased to announce the **4th International Conference on Neurology and Mental Disorders**, scheduled to take place on **May 14–15, 2026**, in the vibrant city of **Kuala Lumpur, Malaysia**.

This upcoming edition will spotlight recent breakthroughs and emerging directions in neurology, psychiatry, and mental health, offering a dynamic platform for global experts to converge. As the field rapidly evolves, driven by advancements in novel diagnostics, digital therapeutics, brain-machine interfaces, precision psychiatry, and neurobiological research. The conference will feature insights into cutting-edge studies and clinical innovations that are redefining the landscape of neurological and mental health sciences. Participants will have the opportunity to share pioneering research, explore collaborative opportunities, and engage in meaningful discussions that shape the future of patient care. Whether your expertise lies in neurodegenerative disorders, neuroimaging, neurotechnology, or mental health policy, your contribution will be vital to advancing knowledge and fostering progress in this transformative field. ([click here for more](#))

About Webinar

The **4th International Webinar on Neurology and Mental Disorders** scheduled on **May 28-29, 2026** offers a global virtual platform designed to foster collaboration, share emerging research, and build an engaged online community within the field of neurology and mental health. This digital forum ensures broad accessibility while maintaining the scientific rigor and professional integrity expected of an international event.

This two-day virtual meeting will feature insightful presentations from esteemed professionals across academia, healthcare institutions, research organizations, associations, and industry. Participants will include oral presentations, posters, e-posters, student presentations (YRF), exhibitor and workshop participation, and group presentations. ([click here for more](#))

CONFERENCE HIGHLIGHTS

- Lectures by the active Investigators
- Keynote forums by Renowned Speakers
- Speaker Forum
- Poster Sessions on latest Innovation in all the relevant Areas
- Panel discussions and interactive sessions.
- Open Innovation Challenges
- Poster Sessions on every career stage
- Post-Doctoral Career Development Session
- Young Research Forum
- B2B Meetings
- Global Networking with 50+ Countries
- Novel techniques to benefit your research
- Best platform for Global business and Networking opportunities
- Excellent platform to showcase the latest products in Neurology and affiliates

TARGET AUDIENCE

- Neurologist
- Pediatric Psychiatrists
- Neurologists As Instrumental Technicians
- Psychologist
- Neuro-surgeons
- Neuroscientist
- Neuro-oncologist
- Epileptologist
- Developmental Neurologist
- Neuro Pharmacologist
- Neuro Lecturers and Professors
- Neuro Technicians and Brain Care Providers
- Neuro-physicians
- Research Scholars
- Teaching Professionals
- Neuro Industrialist
- Business Entrepreneurs
- Medical and Research Students

Session Highlights

- **Neuro Anatomy**
- **Central Nervous System**
- **Geriatric Neurological Disorders**
- **Cerebrovascular and Critical Care Neurology**
- **Neuromuscular Diseases**
- **Brain Tumor and Neuro-oncology**
- **Mental Health and Psychiatry**
- **Clinical Neurophysiology**
- **Behavioral and Cognitive Neuroscience**
- **Neurogenetics and Neurodegenerative Disease**
- **Pediatric Neurology**
- **Neuroimaging and Brain Mapping**
- **Neurochemistry and Neuropharmacology**
- **Spinal Neurosurgery and Neural Transplantation**
- **Neuro Robotics and Neuro Modulators**
- **Addiction and Adult Psychology**
- **Brain Stimulation and Computational Neuroscience**
- **Neural Control of Micturition**
- **Parkinson's Disease**

About Venue

About Venue:

Kuala Lumpur, the capital city of Malaysia, is a vibrant and cosmopolitan metropolis known for its stunning skyline, cultural diversity, and dynamic energy. Home to the iconic Petronas Twin Towers, KL seamlessly blends modern skyscrapers with historic landmarks, bustling street markets, and lush green spaces. It serves as the country's economic and cultural hub, offering world-class shopping, dining, and entertainment. The city reflects Malaysia's rich multicultural heritage, with Malay, Chinese, and Indian influences shaping its architecture, festivals, and cuisine. With its modern infrastructure and strategic location, Kuala Lumpur is also a premier destination for hosting international conferences. With excellent infrastructure and warm hospitality, Kuala Lumpur stands out as a gateway to Southeast Asia and a memorable destination for all. ([click here for more](#))

Venue Highlights:

Registration Fee

REGISTRATION TYPES	EARLY BIRD	MID TERM	FINAL CALL
SPEAKER REGISTRATION (1 DAY ENTRY TICKET)	\$499	\$599	\$699
SPEAKER REGISTRATION (2 DAYS ENTRY TICKET)	\$699	\$799	\$899
POSTER REGISTRATION	\$749	\$849	\$949
DELEGATE REGISTRATION	\$799	\$899	\$999
STUDENT REGISTRATION	\$499	\$599	\$699
WEBINAR / VIRTUAL CONFERENCE REGISTRATION	\$399	\$449	\$499
VIDEO PRESENTATION / E-POSTER PRESENTATION	\$299	\$399	\$499
ACCOMPANYING PERSON	\$149	\$199	\$249

GROUP REGISTRATION

Group registration is the purchase of group tickets by one individual for a total group with discounted registration charges. A minimum of 5 members will be considered as a group and are eligible for a flat 20% discount on registration charges. ([click here for more](#))

TOP REASONS TO PARTICIPATE

- Develop Your Network
- Position Yourself as an Expert
- Meet Experts & Influencers Face to Face
- Gain Targeted Knowledge
- New Tips & Tactics
- Invest In Yourself
- Gain New Collaborations
- Present your Ideas and Work
- Be Inspired
- Travel, Explore and Have Fun!!

Past Event Report

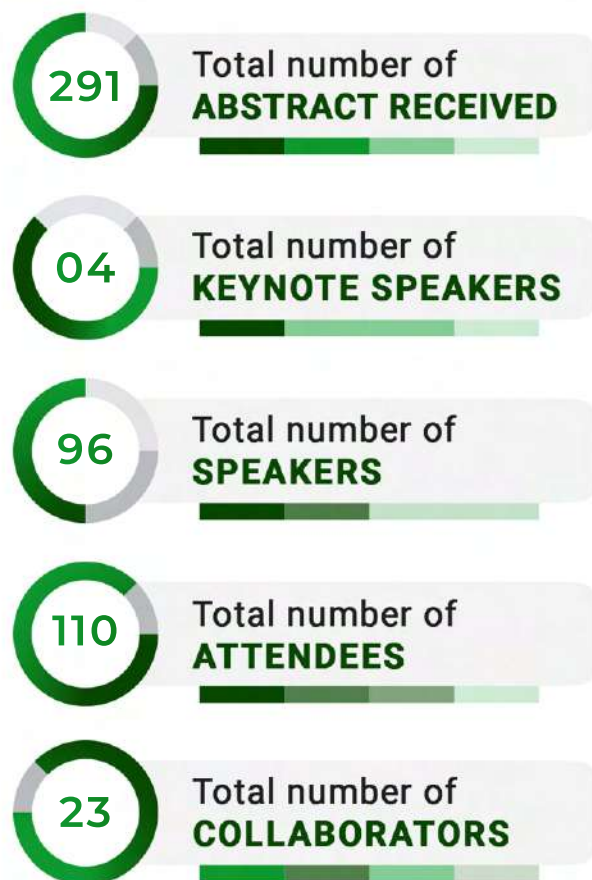

About Past Event:

The **3rd International Conference on Neurology and Mental Disorders**, held on **May 15-16, 2025** in **Dubai, UAE**, brought together over 75+ experts, clinicians, and researchers around the globe. The event focused on “**Advancement and new findings in Neurology, Mental Disorders and Psychiatry**”.

We extend our heartfelt gratitude to our esteemed Keynote Speakers, Krasavina Diana Alexandrovna, Foojan Zeine, Devathasan Gobinathan Nair and Aloysius Bambang Darwono for their invaluable support in making the Neurology 2025 Conference a resounding success. Their contributions significantly enriched the scientific program.

We also sincerely thank our Media Partners, Collaborators, and Travel Agencies for their unwavering support. The success and reach of the event would not have been possible without their efforts in promoting the conference to a wider audience.

Conference Schedule

Day 1 - May 14, 2025 (Thursday)

08:55-09:00	-	Registration
09:00-09:15	-	Opening Ceremony and Introduction
09:15-10:30	-	Keynote Session
10:30-10:50	-	Refreshment Break
10:50-12:30	-	Break Out Session
12:30-13:30	-	Lunch
13:30-15:00	-	Break Out Session
15:00-15:30	-	Refreshment Break
15:30-17:00	-	Break Out Session

Day 2 - May 15, 2025 (Friday)

09:00-10:30	-	Keynote Session
10:30-10:50	-	Refreshment Break
10:50-12:30	-	Break Out Session
12:30-13:30	-	Lunch
13:30-15:00	-	Break Out Session
15:00-15:30	-	Refreshment Break
15:30-17:00	-	Break Out Session

Testimonials

Feedback

Krasavina Diana Alexandrovna

Saint-Petersburg State Pediatric Medical University,
Russian Federation

I would like to wholeheartedly thank the participants from all over the world for the congress, which was amazing in terms of the topic, reports and geography. These amazing people met all of us, instructed about the smallest details, and prepared the program so that everything would go smoothly... [\(click here for more\)](#)

Juraj Sedlacek

University of St. Cyril and Methodius in Trnava;
Alexander Dubcek University of Trencin, Slovakia

Thank you for the invitation and for the opportunity to present the results of my research and observations at this world event. It was an honour for me. I am also grateful for the stimulating and interdisciplinary discussions that took place both... [\(click here for more\)](#)

Nikolaevskaya Angelina

Kursk State Medical University,
Russian Federation

I want to thank personally and the organizing committee of the conference for the opportunity to present the results of our scientific research. It was a special experience that allowed us to touch the works of the world's leading scientists in the field of psychiatry and neurology... [\(click here for more\)](#)

Rania Mamdouh Mohamed

Cairo University, Egypt

Hi Scientex Team! I would like to thank you all, dear organizers, for the year enthusiasm in an ethical way from the first moment. Really, we had emails together and I thought about how far you organized, and ethically managed every step until we were here. You are caring about our residency... [\(click here for more\)](#)

Pavel Novak

Science & Technology Director Storz Medical
AG, Switzerland

In general, the conference was interesting and very good organized. I consider the abstract book with the author's bibliography which you issued even for the virtual conference part very helpful. Looking forward to future conferences.

Archana Verma

AIIMS Raebareli, India

I'm really thankful for the academic feast which I got over here and this really a wonderful conference and there are so enthusiastic participants and also the speakers and this is really a wonderful conference and I hope we meet in the next conference and organizing committee is very good... [\(click here for more\)](#)

Gustavo Gonzalez Torrealba

Talca Regional Hospital, Chile

I had a fabulous experience at the Neurology Conference, and I found the sessions to be very interesting. The other speakers were incredibly insightful, and I truly appreciate the invitation to be part of such an important and enjoyable event.

Imran Khawaja

Internal Medicine Ayoub Teaching Hospital, UAE

Thank you very much for Scientex Conferences for holding this wonderful conference in Dubai today. It was highly informative and got huge knowledge in this conference and came across so many wonderful people here. I learned a lot from this conference and I will be looking forward to many more conferences in the future.

Tulika Mehta Agarwal

Hamad General Hospital, Qatar

I think the conference was very well organized. The program Manager from US, was constantly in touch with me, guiding me that what's going to happen and I was also provided with details coordinators here and I am able to get in touch with them. They were very forthcoming... [\(click here for more\)](#)

Hassan M Heshmati

USA

It's a pleasure for me to be present. This is my third presentation with Scientex. I have two more presentations in November of this year. I want to thank all the organizers of this meeting for the great job they perform.
