

# YOU'RE INVITED

## *New Frontiers in Enhancing Uptake and Efficiency of Lung Cancer Early Detection Programs*

You're invited to an inspiring and informative event focused on advancing the future of lung cancer early detection. Lung Health Coalition 2nd Symposium, *New Frontiers in Enhancing Uptake and Efficiency of Lung Cancer Early Detection Programs*, brings together leading voices and fresh perspectives to explore what's next in screening and prevention.

### Hear directly from:

- Patients sharing their journeys and insights
- Clinicians on the frontlines of early detection
- Experts on emerging technologies, including artificial intelligence in screening

This engaging symposium will spotlight innovations, strategies and solutions aimed at increasing access, equity and effectiveness in lung cancer early detection. Don't miss this opportunity to connect, learn, and help shape the future of lung cancer prevention!

**September 20, 2025 | 8:00am – 4:00pm**

**Grand Hyatt Tampa Bay**

Registration/attendance is free of charge

***Let's work together to advance lung health for all!***
