

GLOBAL FORUM ON

IMMUNOLOGY AND PERSONALIZED MEDICINE

 MAY 18-19, 2026  BARCELONA, SPAIN

Noveltics Group LLC is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

WELCOME MESSAGE

On behalf of Noveltics Group LLC, we are delighted to welcome you to the Global Forum on Immunology and Personalized Medicine, taking place on May 18–19, 2026, in Barcelona, Spain.

This prestigious event will bring together leading researchers, clinicians, industry experts, and innovators from across the globe to explore the latest advances in immunology and the transformative role of personalized medicine in shaping future healthcare. With a strong focus on collaboration, innovation, and knowledge-sharing, the forum will serve as a platform to exchange cutting-edge research, foster meaningful discussions, and inspire new approaches to improving patient outcomes.

We are excited to host you in the vibrant city of Barcelona, renowned for its rich culture, scientific excellence, and warm hospitality. Together, let us make this gathering a memorable and impactful experience that drives progress in the fields of immunology and personalized medicine.

We look forward to welcoming you in Barcelona!

With Regards
Immunology 2026

AGENDA

DAY-1	TIME/SESSION	DAY-1	TIME/SESSION
09:00-10:45	KEYNOTE PRESENTATIONS	09:00-10:45	KEYNOTE PRESENTATIONS
10:45-11:00	COFFEE/TEA BREAK	10:45-11:00	COFFEE/TEA BREAK
11:00-13:00	ORAL PRESENTATIONS	11:00-13:00	ORAL PRESENTATIONS
13:00-13:40	NETWORKING & LUNCH BREAK	13:00-13:40	NETWORKING & LUNCH BREAK
13:40-15:40	SESSIONS	13:40-15:40	SESSIONS
15:40-16:00	NETWORKING & COFFEE BREAK	15:40-16:00	NETWORKING & COFFEE BREAK
16:00-18:00	SESSIONS	16:00-18:00	POSTER & WORKSHOPS

DAY 1 | MONDAY | MAY 18, 2026

	ROOM 1	ROOM 2	ROOM 3
11:00-12:00	IMMUNOLOGY	MOLECULAR AND CELLULAR MECHANISMS OF IMMUNE REGULATION	WORKSHOP
12:00-13:00	IMMUNOGENETICS AND GENOMIC APPROACHES	AUTOIMMUNITY AND IMMUNE TOLERANCE	WORKSHOP 1
13:00-14:00 LUNCH BREAK			
14:00-15:00	ALLERGY AND HYPERSENSITIVITY DISORDERS	IMMUNOLOGY OF INFECTIOUS DISEASES	WORKSHOP
15:00-16:00	CANCER IMMUNOLOGY	TRANSPLANTATION IMMUNOLOGY	WORKSHOP
16:00-16:20 COFFEE BREAK/NETWORKING			
16:20-17:30	NEUROIMMUNOLOGY	IMMUNO-ONCOLOGY AND CHECKPOINT THERAPIES	WORKSHOP

<https://immunology.novelticsconferences.com/register>

	ROOM 1	ROOM 2	ROOM 3
11:00-12:00	BIOMARKERS AND COMPANION DIAGNOSTICS	GENOMICS, PROTEOMICS, AND METABOLOMICS	WORKSHOP
12:00-13:00	PERSONALIZED ONCOLOGY APPROACHES	AI AND BIG DATA IN PERSONALIZED MEDICINE	WORKSHOP
13:00-14:00 LUNCH BREAK			
14:00-15:00	ETHICAL AND LEGAL ASPECTS OF PRECISION HEALTHCARE	PERSONALIZED VACCINES AND IMMUNOTHERAPIES	WORKSHOP
15:00-16:00	DIGITAL HEALTH AND REMOTE MONITORING	FUTURE OF PRECISION MEDICINE	WORKSHOP
16:00-16:20 COFFEE BREAK/NETWORKING			
16:20-17:30	VACCINES AND IMMUNOTHERAPY	IMMUNOMETABOLISM	WORKSHOP

CONFERENCE HIGHLIGHTS

- Immunology
- Molecular and Cellular Mechanisms of Immune Regulation
- Immunogenetics and Genomic Approaches
- Autoimmunity and Immune Tolerance
- Allergy and Hypersensitivity Disorders
- Immunology of Infectious Diseases
- Cancer Immunology
- Transplantation Immunology
- Neuroimmunology
- Immuno-oncology and Checkpoint Therapies
- Vaccines and Immunotherapy
- Immunometabolism
- Microbiome and Immune System
- Comparative and Evolutionary Immunology
- Advanced Technologies in Immunology
- Personalized Medicine
- Pharmacogenomics
- Biomarkers and Companion Diagnostics
- Genomics, Proteomics, and Metabolomics
- Personalized Oncology Approaches
- AI and Big Data in Personalized Medicine
- Ethical and Legal Aspects of Precision Healthcare
- Personalized Vaccines and Immunotherapies
- Digital Health and Remote Monitoring
- Future of Precision Medicine

ABOUT US

Welcome to **NOVELTICS Group LLC**, where innovation meets excellence in scientific event organization. We dedicated to shaping the future of knowledge exchange and professional development, we are thrilled to embark on this journey with you.

At **NOVELTICS Group LLC**, we believe in the power of collaboration, curiosity, and creativity to drive meaningful progress in the scientific community. Our mission is to create transformative event experiences that inspire, educate, and connect professionals from diverse fields of expertise.

With a passionate team of experienced event organizers and industry experts, we are committed to delivering exceptional events that leave a lasting impact. From conferences and symposiums to workshops and seminars, we offer a wide range of programs tailored to the evolving needs and interests of our audience.

How Noveltics Conferences differs from others?

- 
- Innovative content delivery methods that engage and inspire participants.
 - Meticulously curated programs developed in collaboration with industry experts.
 - Emphasis on diversity and inclusivity to foster a dynamic event environment.
 - Robust networking opportunities to facilitate meaningful connections.
 - Flexible registration options and hybrid event formats to accommodate diverse preferences.
 - Commitment to excellence in event planning, logistics, and attendee satisfaction.
 - Cutting-edge topics and emerging trends at the forefront of every conference.
 - Interactive formats that encourage collaboration, creativity, and knowledge exchange.
 - Personalized approach to event organization tailored to meet individual needs and goals.
 - Unparalleled dedication to driving positive impact and innovation in the conference landscape.

Who Will Attend the Immunology 2026 Conference?

The Global Forum on Immunology and Personalized Medicine will bring together a dynamic mix of participants, including immunologists, clinical researchers, healthcare practitioners, geneticists, molecular biologists, epidemiologists, and experts in precision medicine. The conference will also attract professionals from biotechnology, pharmaceuticals, diagnostics, and translational medicine, along with academic scholars, students, policymakers, and healthcare regulators. Representatives from hospitals, research institutions, start-ups, and patient advocacy groups will join industry leaders to foster collaboration, share groundbreaking research, and explore innovative solutions that will shape the future of healthcare.

Why do you need to attend a Immunology 2026 conference?

Attending the Global Forum on Immunology and Personalized Medicine offers a unique opportunity to gain insights into the latest scientific breakthroughs, clinical practices, and technological innovations transforming healthcare. The conference provides a global platform to connect with leading experts, share research, and explore collaborative opportunities that can drive impactful advancements in immunology and personalized medicine. Delegates will benefit from thought-provoking keynote sessions, interactive discussions, and case studies that highlight real-world applications, while also expanding their professional network with peers, industry leaders, and decision-makers from around the world.

Explore Cutting-Edge Research: Discover the latest breakthroughs in immunotherapy, vaccine development, autoimmunity, and infectious diseases through interactive scientific sessions, keynote lectures, and poster presentations.

Network with Global Experts: Meet world-renowned researchers, emerging scientists, and industry pioneers to build lasting professional connections, share insights, and explore collaborative opportunities.

Present Your Work on a Global Stage: Showcase your research, gain valuable feedback, and enhance your academic profile by presenting oral or poster sessions before a diverse and influential audience.

Learn Emerging Trends & Technologies: Gain exposure to innovative technologies, diagnostic tools, and therapeutic strategies shaping the future of immunology and precision medicine.

Expand Your Professional Development: Participate in workshops, discussions, and panel sessions that enhance your knowledge, skills, and leadership in the rapidly evolving healthcare and biomedical sectors.

Experience an International Platform: Immerse yourself in a vibrant exchange of ideas in an inclusive environment that bridges academia, research, and industry to accelerate translational outcomes.

BARCELONA

Barcelona, the vibrant capital of Catalonia in northeastern Spain, is a city where history, art, and modernity seamlessly intertwine. Situated along the Mediterranean coast, Barcelona is celebrated for its unique architectural heritage, prominently featuring the works of Antoni Gaudí. His masterpieces, including the breathtaking Sagrada Família basilica, the whimsical Park Güell, and the stunning Casa Batlló, are must-see landmarks that highlight the city's artistic innovation and grandeur. Beyond Gaudí, the city's Gothic Quarter, with its narrow medieval streets and historic buildings, offers a glimpse into Barcelona's rich past, contrasting beautifully with the modernist structures that define its skyline.

The city's culinary scene is equally impressive, showcasing a range of traditional Catalan dishes and innovatiskyve cuisine. From bustling markets like La Boqueria to charming tapas bars, Barcelona is a food lover's paradise. Its coastal location also means residents and visitors alike can enjoy beautiful beaches, such as Barceloneta Beach, which provide a perfect escape from the urban hustle.
