About Conference

**MICROBIOLOGY
2026**

Scisynopsis warmly welcomes all professors, scientists, researchers, healthcare professionals, and students to join the **5th International Conference on Microbiology**, scheduled to take place on **June 22-23, 2026**, in **London, UK**, under the theme “**Decoding Microbial Frontiers: Innovation for a Healthier Tomorrow**”.

This conference aims to bring together leading minds from around the world to discuss the latest discoveries, innovations, and challenges in microbiology and its allied fields. With a focus on the critical role of microbes in shaping global health, the environment, and sustainable development, the event will feature keynote presentations, interactive panel discussions, and poster sessions covering diverse topics such as clinical microbiology, virology, infectious diseases, immunology, bacteriology, mycology, and environmental microbiology.

Join us in London, a city celebrated for its scientific excellence and cultural richness, to exchange knowledge, foster collaboration, and redefine the role of microbiology in creating a healthier, more sustainable future for all.

Scientific Sessions

- Clinical Microbiology
- Medical Microbiology
- Immunology & Vaccination
- Mycology
- Bacteriology
- Food Microbiology
- Virology
- Rare Infectious Diseases
- Sexually Transmitted Diseases
- Industrial and Applied Microbiology
- Coronavirus COVID 19
- Air Borne and Infectious Diseases
- Antimicrobial Agents
- Nosocomial Infections
- Microbial Evolution
- Micro biome
- Pharmaceutical Microbiology
- Dental Infections
- Antibiotics and Resistance
- Paediatric Infections
- Pathogenesis
- Plant Beneficial Microbes
- Veterinary Microbiology

Who can Attend

- Microbiologists
- Bacteriologists
- Virologists
- Parasitologists
- Mycologists
- Immunologists
- Pathologists
- Pharmacists
- Epidemiologists
- Dermatologists
- Neurologists
- Research Associates

Scientists and Researchers from Research Institutes, Universities, Companies, and Laboratories from Asia Pacific, America, Europe and the Middle East Zone

**Microbiology
2026**

Conference Schedule

DAY 1/June 22, 2026		DAY 2/June 23, 2026	
09:00-10:00	Keynote Sessions	09:00-10:00	Keynote Sessions
10:00-13:00	Oral Presentations	10:00-13:00	Oral Presentations
13:00-14:00	Lunch Break	13:00-14:00	Lunch Break
14:00-16:00	Oral Presentations	14:00-16:00	Oral Presentations
16:00-16:30	Eye Relaxation	16:00-16:30	Eye Relaxation
16:30-17:30	Poster Presentations	16:30-17:30	Poster Presentation
Award Felicitation & Closing Ceremony			

Why to Attend

We are dedicated to provide a platform where you can meet with like minded people and peers. So, don't miss your chance to:

1. Real Networking
2. Connect, Share and Learn
3. Learn Beyond your Field of Interest
4. Break Out of Your Comfort Zone
5. Get feedback on an early version of your latest work
6. Improve your presentation and communication skills

Microbiology
2026

Important Information

Submit your Abstract in the Below Link

<https://scisynopsisconferences.com/clinicalmicrobiology/abstract-submission>

Abstract acceptance will be intimated through Email & WhatsApp.

Then you can proceed further by registering towards the conference to confirm your slot.

<https://scisynopsisconferences.com/clinicalmicrobiology/registration>

FOR DELEGATE PARTICIPATION:

You can directly confirm your slot by registering towards the conference under Delegate category.

<https://scisynopsisconferences.com/clinicalmicrobiology/registration>

Conference Registration

Presenter	\$ 699
Listener	\$ 749
Exhibitor	\$ 1449

Dates to Remember

Abstract Submission Opens for Oral/Poster Presentation

Late Bird Registration: **November 12th, 2025**

On spot registration: **June 22nd, 2026**

Registration Includes

Access to all Presentations

E-Certificate Accredited by our Organizing Committee Member

About London

London, the capital of the United Kingdom, is a global hub of science, culture, and innovation. Renowned for its rich history and world-class research institutions, the city offers an inspiring backdrop for international collaboration. From iconic landmarks like the Tower of London and Buckingham Palace to its vibrant arts, culinary, and academic scenes, London seamlessly blends tradition with modernity—making it the ideal destination for global professionals to connect, exchange ideas, and explore new frontiers in infectious disease research.
