# ABOUT THE CONFERENCE

**IOMC 2026**

We are pleased to invite you to the 2nd Edition of the International Obesity and Metabolism Conference (IOMC 2026), taking place from 17 to 19 July 2026 in Singapore. This global event will serve as a dynamic platform for healthcare professionals, researchers, and experts to come together and discuss the complex challenges and breakthroughs in the fields of obesity and metabolic health.

With a focus on both basic and clinical science, IOMC 2026 will highlight the latest research on obesity pathophysiology, metabolic disorders, lifestyle interventions, pharmacological treatments, and public health strategies. The conference aims to bridge the gap between molecular research and real-world application, advancing effective prevention and treatment strategies worldwide.

The scientific agenda will include keynote addresses, oral and poster presentations, and interactive discussions led by internationally recognized experts. Whether you are a researcher, clinician, policymaker, or early-career professional, IOMC 2026 offers a valuable opportunity to share insights, forge collaborations, and contribute to the global effort to combat obesity and metabolic disease.

We look forward to welcoming you to Singapore and working together to advance knowledge and innovation in obesity and metabolism. Join us in shaping the future of this vital field.

# ABOUT ORGANIZER

**IOMC 2026**

## ABOUT US

Precision Global Conferences (PGC) is a global scientific conference organizer. At Precision Global Conferences, we believe that knowledge has the power to transform the world. As a leading scientific conference organizer, we are committed to advancing scientific discovery, professional development, and global collaboration through dynamic and high-impact events. Precision Global Conferences has advanced the progression, broadcast, persistence, research, and development activities in cancer, neurology, nursing science, addiction, and infectious diseases, fostering innovation and collaboration across these critical fields.

Our conferences unite researchers, educators, healthcare professionals, and thought leaders worldwide—providing a global stage for groundbreaking ideas, innovative research, and meaningful dialogue. Each event is thoughtfully designed to spark connections, challenge perspectives, and inspire solutions to real-world challenges.

From bustling international venues to immersive online platforms, PGC ensures that every participant experiences world-class content, inclusive engagement, and unmatched opportunities for growth and recognition.

### OUR VISION

To promote global advancements in science by sharing the latest research trends and developments across healthcare and agriculture, focusing on underserved communities and addressing disparities. Our goal is to contribute to a world where both quality healthcare and sustainable agricultural practices are accessible to all.

### OUR MISSION

At Precision Global Conferences, we recognize and celebrate advancements in scientific research across healthcare and agriculture. Our mission is to bridge knowledge gaps in both sectors by providing forums that foster idea exchange, collaboration, and the dissemination of groundbreaking research to improve human welfare and sustainability.

## WHY ATTEND OUR CONFERENCES?

- Gain insights into the latest research and developments in your field.
- Connect with experts, peers, and potential collaborators worldwide.
- Share your research with a global audience and receive valuable feedback.
- Enhance your knowledge, skills, and professional profile.
- Discover new perspectives and ideas that can inspire your future work.
