Physiotherapy, Medicine & Healthcare Conference 2026

About Conference:

Intelli Global Conferences is delighted to announce the International Conference on Physiotherapy, Medicine, and Healthcare 2026, scheduled to be held on August 17–18, 2026, in Zurich, Switzerland. The scientific committee of Physiotherapy, Medicine, and Healthcare 2026 is organizing the conference under the theme “From Care to Cure: Innovating Healthcare Through Physiotherapy and Medicine.”

This conference provides an outstanding opportunity to connect and collaborate with leading global experts, clinicians, and researchers who are actively shaping the future of physiotherapy, medical sciences, and integrated healthcare. Participants will gain valuable insights into emerging techniques, evidence-based practices, and innovative healthcare models that enhance patient outcomes and clinical excellence.

The event opens new avenues for researchers, healthcare professionals, and industry specialists through keynote lectures, oral and poster presentations, panel discussions, and interactive workshops. It offers a dynamic platform for physiotherapists, medical practitioners, rehabilitation specialists, academicians, industrialists, entrepreneurs, researchers, professors, and students to present their work, exchange ideas, and engage in meaningful scientific dialogue.

Join Physiotherapy, Medicine, and Healthcare 2026 to showcase your research, expand your professional network, and stay informed through specialized sessions focused on the latest advancements and analytical perspectives in physiotherapy, medicine, and modern healthcare systems.
