About Conference:

Intelli Global Conferences is delighted to announce the upcoming “GLOBAL SUMMIT ON TRADITIONAL AND ALTERNATIVE MEDICINE”, scheduled to be held on August 24-25, 2026, in Tokyo, Japan. The Traditional and Alternative Medicine Congress 2026 scientific committee is working around the Theme: “Integrating Ancient Wisdom with Modern Science for a Healthier Future” This prestigious conference offers an exceptional platform to connect with leading Traditional and Alternative Medicine, healthcare professionals, researchers, and industry experts from around the globe. It provides valuable insights into the latest innovations, technologies, and clinical practices shaping the future of Traditional and Alternative medicine. Through keynote sessions, oral and poster presentations, and interactive panel discussions, the event fosters collaboration, knowledge exchange, and professional growth among participants. The Traditional and Alternative medicine Congress 2026 welcomes a diverse community of Traditional and Modern Medicine healthcare practitioners, researchers, industry leaders, academicians, and students to share their research findings, explore emerging trends, and discuss practical solutions to global Traditional and modern medicine challenges. Join us in Tokyo, Japan, to expand your network, showcase your expertise, and contribute to advancing the future of Traditional and Alternative Medicine worldwide.
