Welcome Message

Dear Colleagues,

We are delighted to welcome you to the World Conference on Biomaterials and Regenerative Medicine (WC-BRM-2026), scheduled for November 16–18, 2026, in the vibrant and dynamic city of Tokyo, Japan. This international conference will bring together leading researchers, scientists, clinicians, academicians, and industry professionals from around the world to exchange knowledge and discuss the latest developments in biomaterials and regenerative medicine.

We are excited to host this innovative hybrid conference, offering both in-person and online participation, allowing us to reach a broader global audience and encourage active engagement from participants across different regions. The conference aims to create a collaborative platform where experts can share their research findings, explore emerging technologies, and discuss future directions in biomedical science.

WCBRM-2026 will feature a comprehensive scientific program including plenary lectures, keynote presentations, technical sessions, workshops, and poster discussions. These sessions are designed to promote interdisciplinary dialogue and provide valuable opportunities for participants to present their work, exchange ideas, and build meaningful professional connections. We are confident that this conference will serve as a significant platform for sharing innovative research, fostering collaborations, and advancing scientific progress in the fields of biomaterials and regenerative medicine. Beyond the scientific discussions, participants will also have the opportunity to experience the culture, technology, and hospitality of Tokyo.

We look forward to welcoming you to Japan and to an inspiring and memorable gathering at the World Conference on Biomaterials and Regenerative Medicine (WCBRM-2026).

Scientific Committee

Jurgen Groll

University of Würzburg,
Germany

Song Li

University of California Berkeley,
USA

Emmanuelle Charpentier

Max Planck Unit for the Science of
Pathogens, Germany

Masoud Mozafari

University of Oulu,
Finland

Dr. Amin Daemi

Cukurova University,
Turkey

Shaochen Chen

University of California San Diego,
USA

Conference Topics:

- Next-Generation Biomaterials and Smart Biointerfaces
- Advanced Tissue Engineering and Biomimetic Scaffold Design
- Stem Cell Engineering and Regenerative Therapies
- 3D Bioprinting, Biofabrication and Additive Manufacturing in Medicine
- Nanobiotechnology and Nanomaterials for Regenerative Medicine
- Translational Regenerative Medicine: From Bench to Bedside
- Biomaterials-Based Drug Delivery and Targeted Therapeutics
- Immunoengineering and Immunomodulatory Biomaterials
- Regenerative Strategies in Orthopedic and Musculoskeletal Repair
- Cardiovascular Tissue Engineering and Vascular Regeneration
- Neural Regeneration and Neuroengineering Technologies
- Regenerative Ophthalmology and Vision Restoration
- Advanced Biomaterials for Wound Healing and Skin Regeneration
- Organ-on-a-Chip and Microphysiological Systems
- Craniofacial Regeneration and Dental Biomaterials
- Biomaterials and Nanomedicine for Cancer Therapy
- Regulatory Science, Ethics and Clinical Standards in Regenerative Medicine
- Biotechnology Innovation, Commercialization and Intellectual Property
- Precision and Personalized Medicine in Tissue Engineering
 - Soft Tissue Repair and Bioactive Implantable Materials
- Hydrogel Technologies for Tissue Engineering and Drug Delivery
- Controlled and Stimuli-Responsive Drug Release Systems
- Dermatological Regeneration and Skin Tissue Engineering
- Veterinary Biomaterials and Regenerative Veterinary Medicine
- Wearable Biodevices, Biosensors and Smart Healthcare Technologies
- Artificial Organs, Bionics and Biohybrid Systems
- Cell–Matrix Interactions and Mechanobiology
- Musculoskeletal Biomaterials and Bone Regeneration
- Regenerative Rehabilitation and Biointegrated Therapies
- Emerging Trends and Future Innovations in Biomaterials and Regenerative Medicine
 - Others

Abstract submission link:

Registration Prices:

- **Speaker Registration: \$699**
- **Package A (Registration + 2 Nights' Accommodation): \$1069**
- **Package B (Registration + 3 Nights' Accommodation): \$1279**
- **Online participation: \$349**
- **Student/Poster Registration: \$449**
- **Delegate: \$749**

Registration link:

Note: Group Discounts are available for more than three members.

Program Schedule

Day 1	Day 2	Day 3
08:00-09:30 Registrations & Introduction	09:00-11:30 Plenary Session & Scientific Sessions	09:00-11:30 Scientific Sessions
09:30-11:30 Plenary Session	11:30-11:45 Networking Break	11:30-11:45 Networking Break
11:30-11:45 Networking Break	11:45-13:45 Keynote Session & Scientific Sessions	11:45-13:45 Scientific Sessions
11:45-13:15 Keynote Session & Scientific Sessions	13:45-14:30 Networking Lunch Break	13:45-14:30 Networking Lunch Break
13:15-14:00 Group Photo & Network Lunch	14:30-16:30 Scientific Sessions	14:30-16:30 Scientific Sessions
14:00-16:00 Keynote Session & Scientific Sessions	16:30-16:45 Networking Break	16:30-16:45 Networking Break
16:00-16:15 Networking Break	16:45-18:30 Scientific Sessions	16:45-18:30 Scientific Sessions
16:15-18:00 Scientific Sessions	18:30-19:00 Certification	18:30-19:00 Closing Ceremony
18:00 Onwards Certification & Cocktail Party	19:00 Onwards Certification & Cocktail Party	19:00 Onwards Certification & Cocktail Party

Sponsorship/ Exhibiter Opportunities:

Platinum Sponsor Benefits:

- An opportunity to sponsor 10 Poster Presentation Awards.
- Three corporate-sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 Sqm).
- Four complimentary registrations.
- Logo recognition on congress web
- site front page with link, logo recognition on congress sponsorship page, and logo recognition on corresponding our Journal home page.
- One A4 colour advertisement in the congress program or book of abstracts (excluding cover pages).
- Three inserts provided by the sponsor in the congress delegate bags.
- One post congress e-mail message to consented congress registrants up to 60 days after the congress (content to be provided by the sponsor, approved, and distributed by corresponding Journal).
- An exclusive online Promotion on all our Social Networking Sites.
- 20% Waiver on Sponsorship for any of our next year's conferences.

Gold Sponsor Benefits:

- An opportunity to sponsor 5 Poster Presentation Awards.
- Two corporate-sponsored workshop slots (must honour deadlines, catering, and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 Sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on the congress sponsorship page.
- One A4 colour advertisement in the congress program or book of abstracts (excluding cover pages).
- Two inserts provided by the sponsor in the congress delegate bags.
- An exclusive online Promotion on all our Social Networking Sites.
- 15% Waiver on Sponsorship for any of our next year's conferences.

Silver Sponsor Benefits:

- An opportunity to sponsor 3 Poster Presentation Awards.
- Two complimentary congress registrations.
- One corporate-sponsored workshop slot (must honour deadlines, catering, and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 Sqm).
- Logo recognition on congress website sponsorship page.
- One A4 colour advertisement in the congress program or book of abstracts (excluding cover pages).
- One insert provided by the sponsor in the congress delegate bags.
- Priority to purchase additional sponsorship items.
- An exclusive online Promotion on all our Social Networking Sites.
- 10% Waiver on Sponsorship for any of our next year's conferences.

Exhibitor Benefits:

- An opportunity to sponsor one poster presentation award.
- One complimentary congress registration.
- Set up of one tailor-made exhibit booth (Booth Size 3x3 sqm).
- Logo recognition on congress website sponsorship page.
- A4 Colour Advertisement in Congress Program or Book of Abstract.
- Inclusion of your company's leaflet/insert in the congress delegate bags.
- An exclusive online promotion on all our social Networking Sites.
- 5% Waiver on Sponsorship for any of our next year's conferences.
- Recognition to your products and services in the world market through our website.
- Develop new client relationships and strengthen the existing ones (B2B Meeting).
- Shape and raise your corporate image through logo branding.
- Brand briefing at the opening and closing ceremonies.
- Press Release on behalf of your company.
- Brand announcement with 50000 Brochures across the Globe.
- Sharing Conference Posters (10000) with Industries and Universities located across the globe.

About Tokyo, Japan:

Tokyo, the vibrant capital of Japan, is one of the world's most dynamic and technologically advanced cities. Renowned for its unique blend of rich cultural heritage and cutting-edge innovation, Tokyo offers visitors an unforgettable experience where traditional temples and historic districts coexist with futuristic architecture and modern urban life. The city is home to globally recognized landmarks such as Tokyo Tower, Meiji Shrine, and the historic Senso-ji temple. As a major global hub for science, technology, finance, and culture, Tokyo provides an inspiring environment for international conferences, research collaboration, and professional networking. Its world-class infrastructure, exceptional hospitality, and advanced facilities make it an ideal destination for global events.

Getting There

Tokyo is served by two major international airports: Narita International Airport and Haneda Airport, both offering extensive global flight connections. From the airports, travelers can easily reach central Tokyo through efficient train services, airport limousines, and taxis. Japan's famous high-speed rail network, the Shinkansen, connects Tokyo with major cities across the country, ensuring fast and comfortable travel. Within the city, Tokyo's highly organized metro, subway, and bus systems provide seamless transportation, making it convenient for visitors to navigate the city and reach conference venues with ease. With its excellent connectivity and modern infrastructure, Tokyo is exceptionally well prepared to host international meetings and conferences.
