Welcome Message

Welcome to WCSTA-2026

We are delighted to welcome you to the **World Conference on Surgical Techniques & Anesthesia (WCSTA-2026)**, scheduled for **November 19–21, 2026, in Tokyo, Japan**. This prestigious international event will bring together surgeons, anesthesiologists, researchers, healthcare professionals, and industry experts from around the world to discuss the latest advancements in surgical practices and anesthesia care.

WCSTA-2026 will serve as a dynamic platform for sharing innovative surgical techniques, modern anesthesia practices, and emerging technologies in the field of perioperative medicine. The conference program will include keynote lectures, plenary sessions, oral and poster presentations, panel discussions, and networking opportunities, enabling participants to exchange knowledge and foster valuable collaborations.

Join us in Tokyo, one of the world's most innovative and vibrant cities, to explore the future of surgical care, strengthen global partnerships, and contribute to advancing surgical and anesthesia practices worldwide.

We look forward to welcoming you to **WCSTA-2026**.

Scientific Committee

Darwin Eton

Massachusetts Institute of
Technology, United States

Ricky Rasschaert

AZ Rivierenland,
Belgium

Jayan Dewantha Jayasinghe

Royal Lancaster infirmary,
United Kingdom

John R Bach

Rutgers University,

About Tokyo, Japan:

Tokyo, located in Japan's Kanto region, is the nation's capital and a global city known for its seamless blend of tradition and innovation. From the historic charm of Asakusa and the majestic Meiji Shrine to the neon-lit districts of Shinjuku and Shibuya, Tokyo offers an unmatched cultural and urban experience. The city is a world leader in fashion, technology, and cuisine, with everything from Michelin-starred sushi to cozy ramen shops lining its bustling streets.

Tokyo's extensive and efficient public transportation network—including the Tokyo Metro, Toei Subway, and JR Yamanote Line—ensures smooth access to its countless districts and attractions.

Getting to Tokyo by Air:

Tokyo is served by two major international airports: Narita International Airport (NRT) and Haneda Airport (HND).

Haneda, located closer to the city center (about 20 km), handles both domestic and international flights and is known for its convenience and speed. Narita, approximately 60 km from central Tokyo, connects with cities across Asia, Europe, and the Americas. Both airports are well-linked to Tokyo via express trains like the Narita Express and Tokyo Monorail, making travel to the heart of the city fast and efficient.
