About Conference:

Coalesce Research Group is very glad to welcome you to participate in the **6th International Conference on Gynecology & Obstetrics**, scheduled to take place on **November 05-06, 2026**, in **Kuala Lumpur, Malaysia**.

This event aims to foster collaboration among clinicians, researchers, and industry leaders by providing a vibrant platform for the exchange of knowledge, expertise, and ideas. Through meaningful discussions and shared experiences, participants will gain valuable insights into improving patient outcomes and promoting excellence in clinical practice. Under the theme **“Reproductive Revolution: Cutting-Edge Science and Future Directions in Gynecology, Obstetrics, and Women’s Health”**.

In addition, the event offers a unique platform for exhibitors to showcase innovative medical products and technologies, while sponsors can strengthen their visibility by connecting with influential leaders and decision-makers in the global healthcare community.

Join us in Malaysia for this inspiring event and take part in shaping the next era of innovation and excellence in women’s health.

GLIMPSES OF PAST CONFERENCE

Speakers Word

Chih-Yu Chen, Keelung Hospital of The Ministry of Health and Welfare, Taiwan

I would like to enjoy such a wonderful Conference in the future annually

Kaniz Fatema, Bangladesh Specialized Hospital, Bangladesh

It was very nice and structured we learn different scientific sessions. All the presentations were brilliant we hope to join the next conference in Dubai.

Dr. Kuldeep Singh, Consultant at Dr Kuldeep's Ultrasound Clinic, India

Everything was very good thoroughly enjoyed

Meherun Nessa, Holy Family Red Crescent Medical College & Hospital, Bangladesh

It was very Structured conference. We learn a lot from this different Scientific Sessions. All the presentations were brilliant. We hope to join the conference in Dubai.

Sandhya S, Venkateswara Homoeopathic Medical College and Hospital, India

Conference was well organized. Communication from the organizing committee was very good and trusty. Well, connected different experts from various disciplines were made to conglomerate at one platform
