Infection Control 2026 is giving a worldwide stage to analysts that afford new insights into the concealed methods of Infection Control and the recent pandemic diseases that can be covered. World-eminent speakers, guest of honours and the most up to date upgrades are components of this gathering and with individuals from around the globe concentrated on finding out about uncommon illnesses and its advances. An expanding number of distinguished methods makes it important to complete propelled research here of irresistible sicknesses on Infectious Diseases and Virology.

### Benefits of Attending:

Platform for collaboration among young researchers and professors for better development. Our Physical Event provides the best platform to connect, share and learn from highly affiliated experts in the field of Infection Control Along with the knowledge you can also get relief from your routine chores, can spend time with your family/colleagues/friends by visiting beautiful attractions in spectacular Paris, France Share the ideas with eminent researchers, academicians, and professionals. Accepted Abstracts will be published in our proceedings Book

### Who can Attend?

- Infectious Diseases Specialists
- Infectious Diseases Experts
- Infection Prevention and Infection Control Specialists
- Microbiologists
- Virologists
- Bacteriologists
- Pathologists
- Parasitologists
- Mycologists
- Immunologists
- Epidemiologists
- Allergists
- Dermatologists
- Neurologists
- Pediatricians
- Clinical Investigators
- Physicians

Scientists and Researchers from Research Institutes, Universities, Companies, and Laboratories from Asia Pacific, America, Europe and the Middle East Zone

# SCIENTIFIC SESSIONS

- Case Reports on Infections Diseases
- Diagnosis of Infectious Diseases
- Hepatitis Prevention
- Epidemiology and Public Health
- Neuro Infections
- Pediatric Infections
- Infection Control Nursing
- Rare Infections
- Blood Borne Infections / Sepsis/ Septicemia
- SARS-CoV-2
- Communicable and Non-Communicable Infections
- Infection Control and Environmental Health
- Infection control and Public Awareness for COVI-19
- Vaccination and Immunization
- Antibiotic Resistance and Infection Control
- Behavioral Science and Infection Prevention
- Parasitic Infectious Diseases
- Surgical Site Infections
- Pulmonary and Chest Infections
- Global Market on Infectious Diseases
- Viral Infections and Recent Advancements
- Ebola and Zika Viral Infections
- Gastrointestinal and Urinary Tract Infections
- Food and Water Borne Infections
- Immunology of Infections
- Global Infectious Diseases
- Infection Prevention and COVID-19
- Protozoan Infectious Diseases
- Antimicrobial Stewardship
- Policy, Ethics, and Infection Control
- Epidemiology of Infectious Diseases
- Fungal Infectious Diseases
- Infection Control Practices
- HIV-AIDS and STDs/STIs
- Causes and Symptoms of Infections
- Infection Control Risk Assessment
- Disinfection and Sterilization
- Antimicrobials, Antibiotics, and Antibacterials
- Infection, Immunity, and Inflammation

# GLIMPSES OF PAST EVENTS

## Speakers Word

**Yaeko Mitsumori**, *Osaka University, Japan*

I was impressed by you and other staff's perfect organization of the conference. All the participants' presentations were very interesting and very informative. I would be glad if I have a chance to work with you again in the future.

**Lequan Min**, *University of Science and Technology Beijing, China*

I am very happy to attend 4th International Conference on Infection Prevention and Control held from November 06-07, 2023. You and the Coalesce staff organized the Conference is very excellent. That you have provided participations, accommodation are also very excellent. I am impressed by the speakers presentations.

**Fatah Kashanchi**, *George Mason University, USA*

That was a fun meeting. I was also impressed with the talks. Lots of clinical and diagnostic data.

**Estephanie Padua**, *Sheikh Khalifa Specialty Hospital, UAE*

As an infection control nurse working in hospital, it gave me insights and information that I can use in out break management a protocol and policy creation that is based on scientific evidence.

**Pavani Maria Budda**, *Gandhi Institution of Medical Sciences and Research, India*

Excellent ambience and organization of conference and great speakers and content. I am glad to be with all the delegates to have a very good experience.

**Morad Alghzawi**, *UV Medico Gulf, UAE*

Better organization will be appreciated.  
Overall the conference was very good.

**Amjad Al-Alshihab**, *Al-Rida Polyclinic, KSA*

I liked the Conference.

**Dr. Dunja Milicic**, *Hospital da Luz Arrabida, Portugal*

Conference was really exceptionally well organized. I am going around the word already 30 yrs in conferences - and might say that I have seen ... a lot. I really enjoyed this conference. Your help was exceptional and valuable. Almost two yrs of interaction between us and every went smoothly. All best to you, personally. Hope to see each another on one meeting.

**Victoria Al Karaki**, *Eye and Ear Hospital International, Holy Spirit University of Kaslik, Lebanon*

Very Well organized conference. Location and venue are excellent. The schedule is very well defined.

**S. Mahmood**, *University Hospitals of Leicester NHS Trust, United Kingdom*

Excellent Organization. Have good experience and gone through variable topics.

**Alexandrina Nan**, *National Institute for Research and Development of Isotopic and Molecular Technol-ogies, Romania*

Thank you very much for your excellent organization and assistance. For me, this conference was a wonderful experience
