Welcome Message:

WCFINS-2026

We welcome you to the **World Conference on Food Innovation and Nutritional Science (WC-FINS-2026)** in **Tokyo, Japan, September 14-16, 2026**. We are excited about the opportunities of holding an innovative hybrid conference (both Online & In-person) and reaching a wider audience than a conference can possibly include. Participants from around the world are expected to participate actively in this event.

We are confident that this will be a platform to gather and disseminate the latest knowledge in recent advancements in emerging areas of diversified research fields covered during a conference that will provide a platform for the participants to share experiences and knowledge through several sessions, plenary & keynote presentations, workshops, and performances.

You can expect a stimulating, fruitful, and enjoyable time in Tokyo, Japan. We look forward to meeting you in Tokyo, Japan for **World Conference on Food Innovation and Nutritional Science(WCFINS-2026)**.

About Tokyo, Japan:

We are excited to welcome you to Tokyo, Japan, for the World Conference on Food Innovation and Nutritional Science 2026, taking place from September 14-16, 2026.

Why Tokyo?

As one of the world's most vibrant and technologically advanced cities, Tokyo offers the perfect blend of tradition and innovation. From its state-of-the-art food research facilities to its rich cultural heritage, Tokyo provides an inspiring backdrop for scientific discussions and networking.

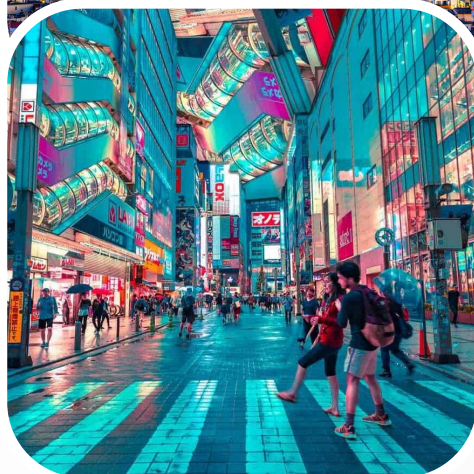

Conference Venue:

The conference will be held at a premier venue in Tokyo, offering world-class facilities, easy accessibility, and a comfortable environment for knowledge exchange and collaboration. The venue details, including the exact location and accommodation options, will be shared soon.

Getting to Tokyo:

Tokyo is well-connected by Narita International Airport (NRT) and Haneda Airport (HND), with convenient transport options such as the Shinkansen (bullet train), metro, and taxis. The city's efficient public transport system makes commuting seamless for international and domestic attendees.
