ORGANIZERS

Welcome Message

Dear Colleague,

It is with great enthusiasm that we welcome you to the **6th International Conference on Alternative Medicine & Integrative Health (AMIH2026 Dubai)**, taking place from **December, 08–09, 2026**, in the captivating city of **Bangkok, Thailand**.

Under the theme: ***“Future-Ready Wellness: Integrative Medicine in the Age of Innovation”***, This milestone gathering promises to be more than just a meeting—it’s a vibrant crossroads of science, tradition, and innovation. Over two inspiring days, you’ll join global leaders, pioneering researchers, and passionate practitioners who are shaping the future of holistic and integrative healthcare. Together, we will explore groundbreaking research, time-honored healing practices, and emerging therapies that bridge the gap between conventional and alternative medicine.

The scientific program of **AMIH 2026 Bangkok** has been thoughtfully designed to feature keynote addresses, plenary sessions, oral and poster presentations, workshops, and panel discussions covering a broad spectrum of topics including traditional medicine systems, complementary therapies, integrative clinical practices, natural products, wellness strategies, and holistic healthcare approaches.

Bangkok is a vibrant global destination known for its rich cultural heritage, modern infrastructure, and dynamic healthcare and research environment. The city offers world-class hospitality, international connectivity, and a unique blend of traditional Thai culture and contemporary innovation. As one of Asia’s leading conference destinations, Bangkok provides an inspiring setting for global collaboration and scientific exchange.

On behalf of the committee, we are honored to host you for this unforgettable experience. Let’s embrace the spirit of discovery and work together toward a healthier, more integrative future.

We can’t wait to welcome you to Bangkok.

With warm regards,
Conference Committee
AMIH 2026 Bangkok

Why Attend?

The **6th International Conference on Alternative Medicine & Integrative Health (AMIH2026 Bangkok)** is an international scientific forum dedicated to advancing research, education, and clinical practice in alternative and integrative healthcare. The conference aims to unite global experts, clinicians, researchers, and industry leaders to explore evidence-based complementary therapies and integrative treatment models.

AMIH2026 Bangkok promotes interdisciplinary dialogue, scientific validation of traditional medicine systems, and the integration of holistic approaches with modern medical practices. The event serves as a bridge between conventional medicine and alternative healthcare traditions to improve patient-centered outcomes and public health.

01 CONNECT

Meet leading Alternative Medicine & Integrative Health experts from around the world. Exchange ideas, build collaborations, and spark conversations that extend beyond the conference halls.

02 PRESENT YOUR RESEARCH

Showcase your work through oral presentations, posters, and e-posters. Gain international visibility and valuable feedback from global experts.

03 COLLABORATION & NETWORKING

From scientific sessions to coffee breaks, AMIH2026 Bangkok creates the ideal environment for partnerships, joint research, and professional growth.

04 GET EXCEPTIONAL VALUE

With your registration, you gain access to:

- ✓ Expert-led keynote sessions
- ✓ Opportunities to publish and present
- ✓ Exposure to latest holistic healthcare trends
- ✓ Global networking and professional recognition

At **AMIH2026 Bangkok**, you're not just attending a conference — you're joining a global movement shaping the future of alternative and integrative

The 6th International Conference on Alternative Medicine & Integrative Health (AMIH2026 Bangkok) invites researchers, clinicians, academicians, healthcare professionals, and industry experts to submit original abstracts for oral and poster presentations to be held on **December 08–09, 2026**, in **Bangkok, Thailand**.

Call for Abstract

AMIH2026 Bangkok serves as a global forum for the exchange of scientific knowledge, clinical innovations, and best practices in alternative medicine and integrative healthcare. We welcome high-quality research papers, clinical case studies, systematic reviews, and innovative concepts that contribute to the advancement of evidence-based complementary and integrative medicine.
