I'm Dr. Anjali Gupta. I work as an ER resident at KK Hospital in Singapore. It's a tertiary hospital for Southeast Asia for children and care. So this conference was very informative... ([click here for more](#))

David Heath

Launceston General Hospital, Australia

Just to say thank you to Scientex for such an informative exhibition. It was very enjoyable. Speakers from all around the world with a great depth of experience and understanding. It was great to see what other people, what other countries are doing in terms of the different areas of pediatric health. And I look forward to attending the next conference. Thank you

Anna Stepanova

American Hospital Dubai, UAE

I enjoyed the conference and also the visit to Bangkok. Amazing opportunity. Thank you for the invitation with great experience. Very good organisation. Smart and well prepared. Everything was easy to attend it and my pleasure to have my report.

Elena Stezhkina

Ryazan State Medical University,
Russian Federation

Many thanks to everyone for the opportunity to attend the conference dedicated to the health of women and children and to hear very valuable information for me. I am also grateful for the opportunity to present my own clinical case in the form of a complex case - Peitz-Jaegers Syndrome

Shaila Siraj

Johns Hopkins All Children's Hospital, USA

I was really grateful to have the opportunity to be invited here to the Scientex conferences to present my research on high flow nasal cannula. I really appreciated learning all of the different material from all parts of the world with physicians who have had many years of experience

Irwan Syah Md Yusoff

Putra University of Malaysia, Malaysia

Thank you very much. I think this is a very great conference. This conference will help to gather all the expertise in the field of medicine or pediatrics, especially. This will benefit all of the experts and also the researchers to share their findings. This event should continue further and beyond our expectations. This will grow and grow together. For me, this is very fantastic. Thank you very much.
