Conference Invitation

The **31st Global Summit on Nursing Education & Practice**, scheduled for **September 13-14, 2027** in **Paris, France** is an international scientific conference dedicated to advancing nursing education, clinical practice, healthcare research and professional excellence.

The conference will bring together nursing professionals, educators, researchers, academicians, clinicians, healthcare administrators, policymakers and students from different parts of the world to exchange scientific knowledge and discuss developments shaping the future of nursing.

With the theme **"Advancing Nursing Education and Practice through Innovation, Research and Excellence,"** the summit will provide an international platform to explore innovative educational methodologies, evidence-based clinical practices, emerging healthcare technologies, nursing leadership and improvements in patient care.

Nursing continues to play a fundamental role in strengthening healthcare systems and improving patient outcomes. As medical science and healthcare delivery advance, nursing professionals must continuously develop their knowledge, clinical competencies, research capabilities and leadership skills.

The conference will feature keynote lectures, invited presentations, oral research presentations, poster sessions and scientific discussions covering various aspects of nursing education and healthcare practice.
Through in-person and virtual participation, the summit aims to encourage international collaboration, promote research excellence and create opportunities for professional development.

We cordially invite the global nursing community to participate, present their research, share clinical experiences and contribute to the advancement of nursing education and practice.

With Best Regards,
Organizing Committee
31st Global Summit on Nursing Education & Practice 2027

About Paris, France

Paris, the capital of France, is one of the world's most beautiful and culturally rich cities, renowned for its contributions to education, science, research and international collaboration. Known as the City of Light, Paris offers an inspiring environment where academic excellence, healthcare advancement and cultural heritage come together.

The city is home to prestigious universities, medical institutions, hospitals and research centers, supporting developments in nursing education, clinical practice, healthcare research and patient care. Its international atmosphere makes Paris an ideal destination for bringing together nursing educators, researchers, healthcare professionals and clinical leaders to exchange knowledge and explore innovative approaches to nursing practice.

Testimonials from Past Speakers

Alanda White

Veterans Health Administration, USA

It was my pleasure to be able to speak on such a global platform. I would have liked to see everyone have the opportunity to speak. I was grateful to be able to speak and I would like to present again in the future. Thank you!

Pakesta Charisse Washington

Washington Elite Nursing Consultants LLC, USA

Thank you so much for the opportunity to participate in the Nursing Education Conference 2026. It was truly an honor to be included among such an outstanding group of professionals.

My experience with the conference was excellent. The event was well-organized, communication was clear and supportive, and I felt very welcome throughout the entire process. I especially appreciated the professionalism and assistance provided to me.

I thoroughly enjoyed presenting "Preparing the Next Generation of Nursing Students to Prioritize Mental Self-Care" and sharing the N.U.R.S.E.™ Mental Health Framework. It was incredibly rewarding to contribute to an international conversation surrounding nursing education and the mental well-being of our future nurses.

I also enjoyed hearing the perspectives and expertise of the other presenters. Overall, I found the conference informative, engaging, and professionally rewarding.

I would be honored to remain connected with your organization and would certainly welcome opportunities to participate in future conferences.

Elmarie Botha

Samuel Merritt University, USA

I greatly enjoyed the program, particularly the opportunity to share my work and connect with colleagues.

Daryle Wane

Nurse Consultant, Florida, USA

It was a wonderful opportunity to connect with one's peers at an international level.

Pamela Fonju

William Paterson University of New Jersey, USA

We have presenters from different countries. We discussed how we can train the next generation of clinicians and address the issues faced in healthcare studies, including AI, women's health, infectious diseases, etc. This is a very informative event.

Sonia Garcia

The Mount Sinai Hospital, New York NY, USA

It is very well represented and the venue was fantastic. The presenters have a wealth of knowledge, so I will come again. I will also recommend it to anyone looking for a global conference that brings together people of different nationalities and countries to come and enjoy the experience.

Testimonials from Past Speakers

Haydée Britton

Serena del Mar Hospital, Cartagena, Colombia

I felt I learned a great deal from the other speakers and there was a warm cooperative atmospheres, who are professionals in their fields.

From your end it was a lot of coordinating with all of us all over the world.

Thank you all of you for the work you do so diligently!!

Kiara Matthews

University of the West Indies, Trinidad and Tobago

This is very valuable to me and being able to be here was an invaluable experience. The perspectives on education and healthcare are important to all of us and this conference provides them.

It was a wonderful event.

Thank you.

Geeta Saifi

Rajkumari Amrit Kaur College of Nursing, New Delhi, India

I just participated in the Global Summit on Nursing Education and it was a great conference to attend. The sessions were very enriching and insightful. All the arrangements were good, and the food was also good. It was a great learning experience and an opportunity to meet all the participants. They shared their research from different countries, which was also very enriching. We interacted very well with one another. It was a great learning experience.

It was truly a fantastic experience to be part of the conference.

Thank you.
